Carla,
I'm glad we
finally got to
have some classes
together. You're a nice
and good friend
considering the fact
that you couldn't
stand the sight of me
before. We've had a lot
of good times together
and I hope we will
have a lot more too.
You know that we'll
both have to get
pretty fucked up
for our graduation.
I want to watch
you trip and fall flat on
your face. Love,
Chris

So what's in this book anyway?

Carla
Good Luck,
Have fun. Keep
on the sunny

And Us.

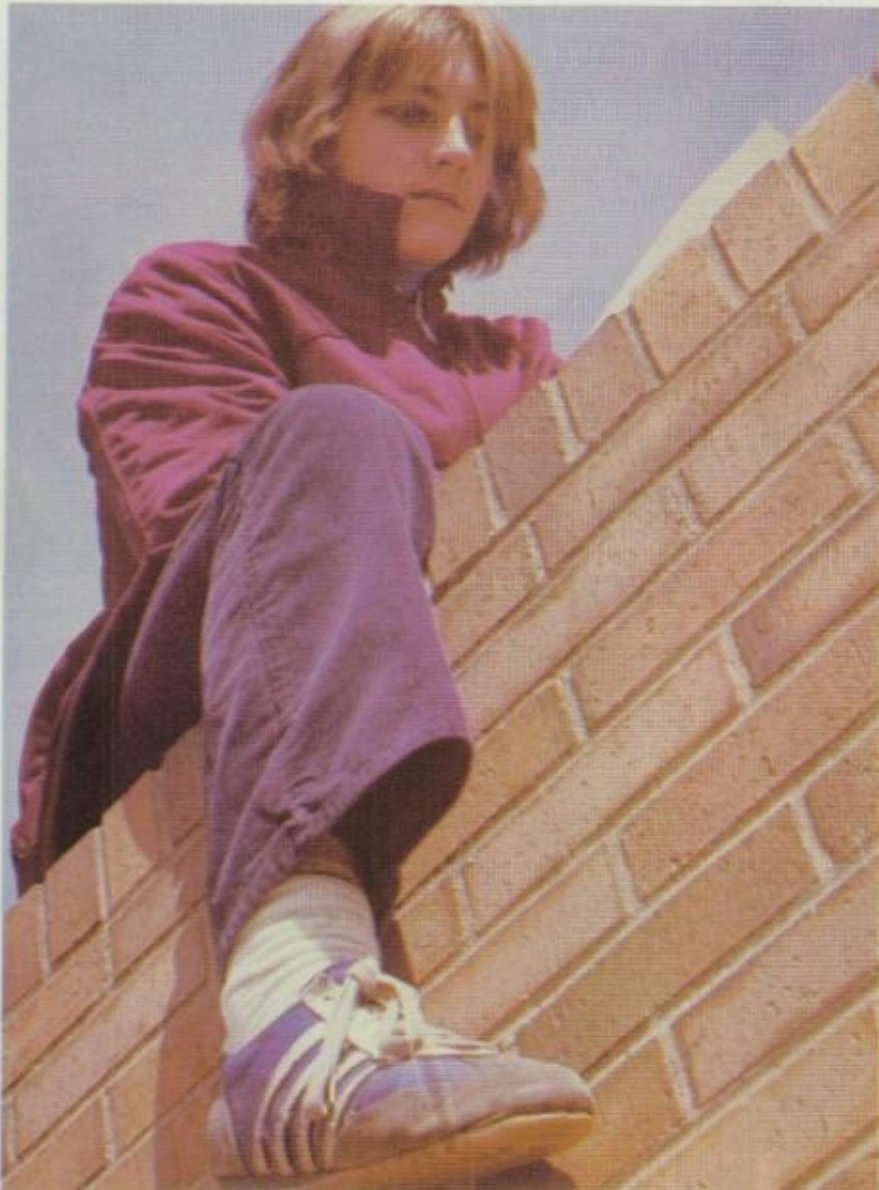

Gee, that's a hard question

And You

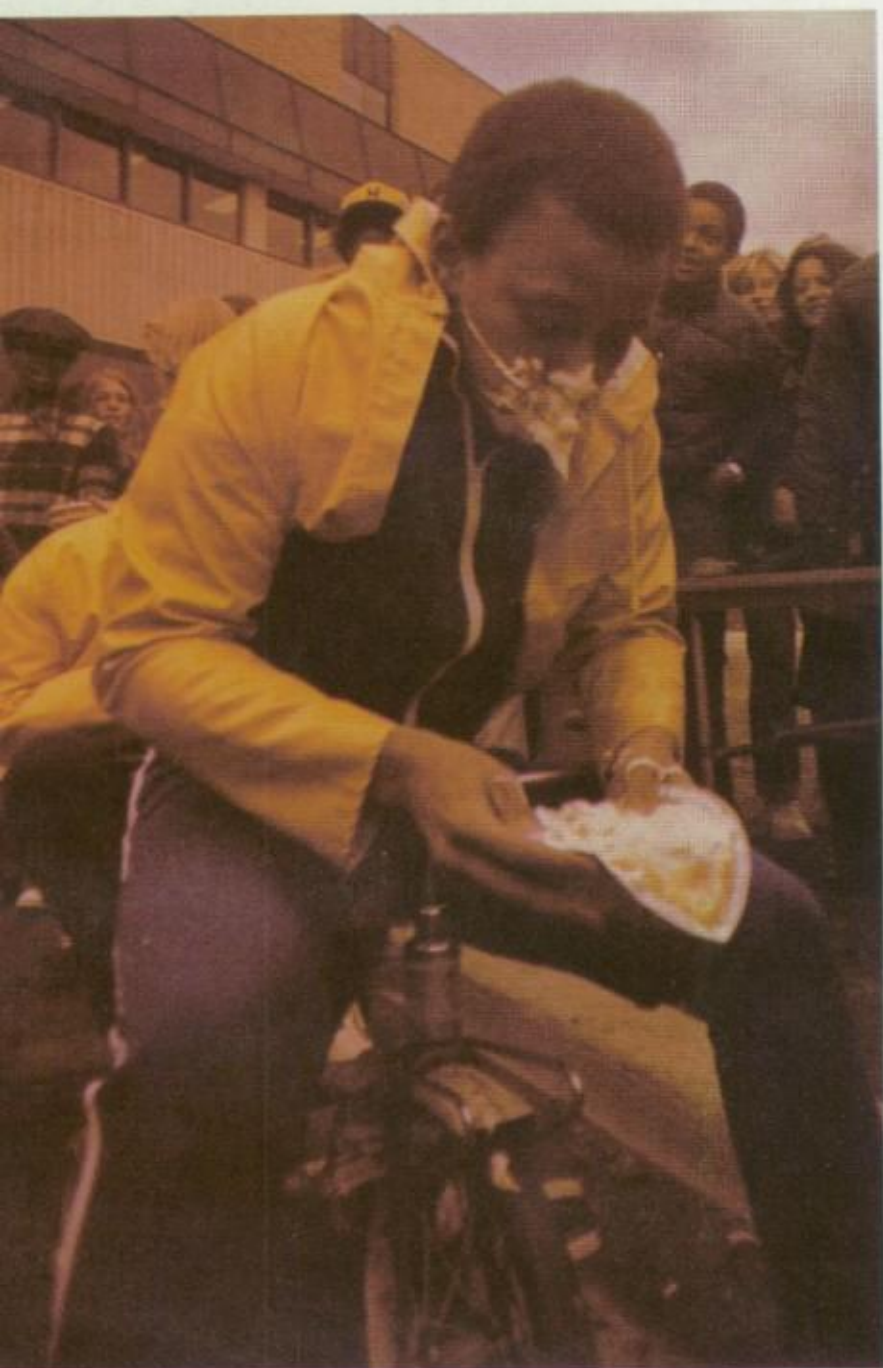

Take your question and cruise.

No question today OK?

Ask me no questions, I'll tell you no lies.

Please no questions. I'm eating.

And Me

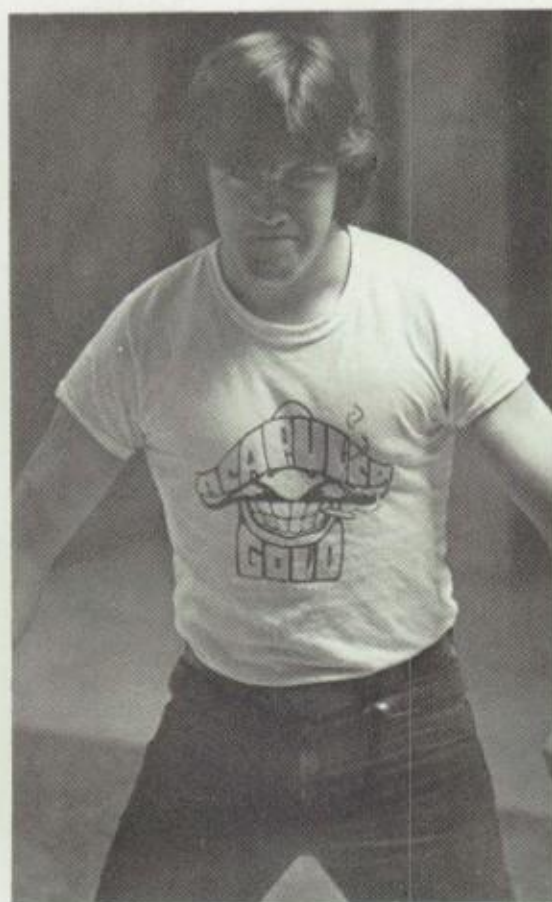

I never thought much about Huron.

My mother told me, but I forgot.

You really want to know?

Who is asking about Huron?

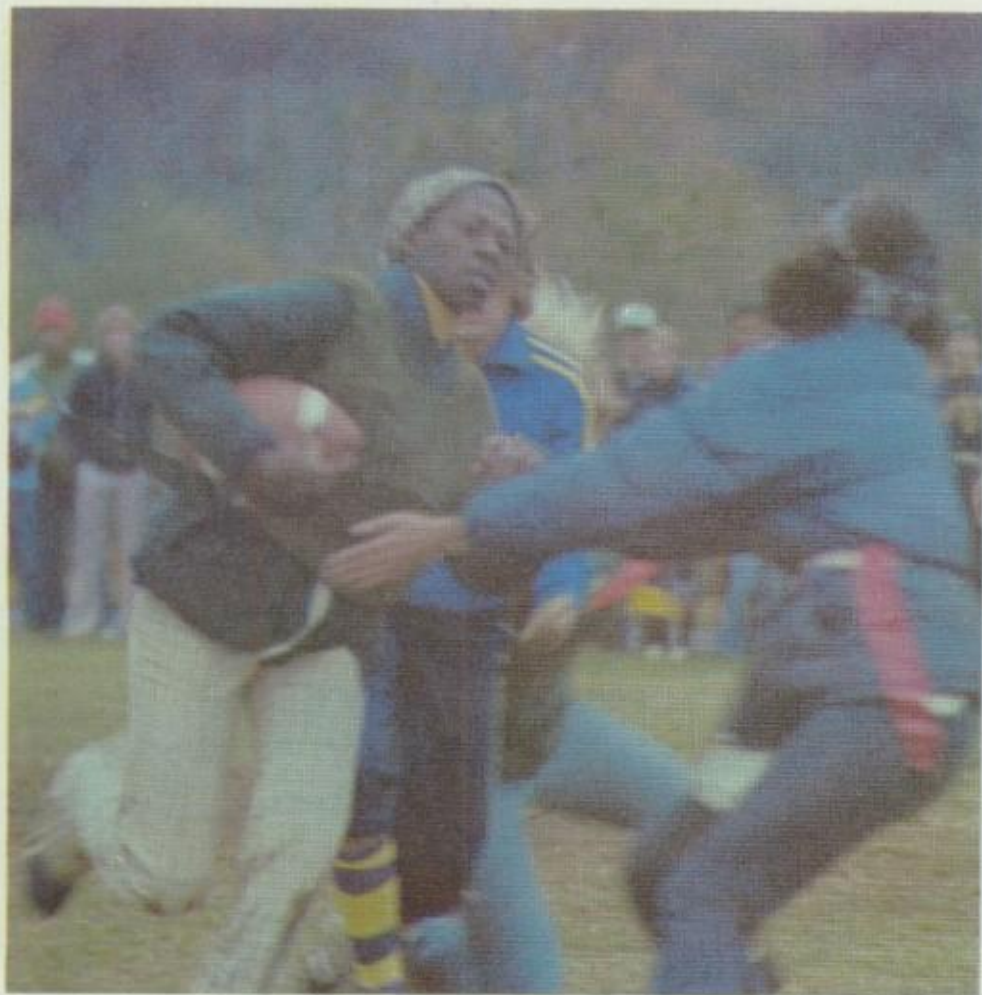

What's Huron?

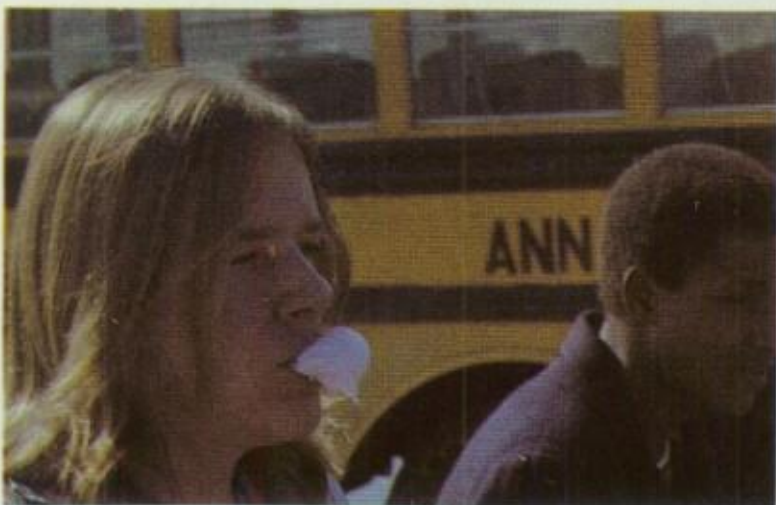

And All Of Us!

The two of us have nothing to say.

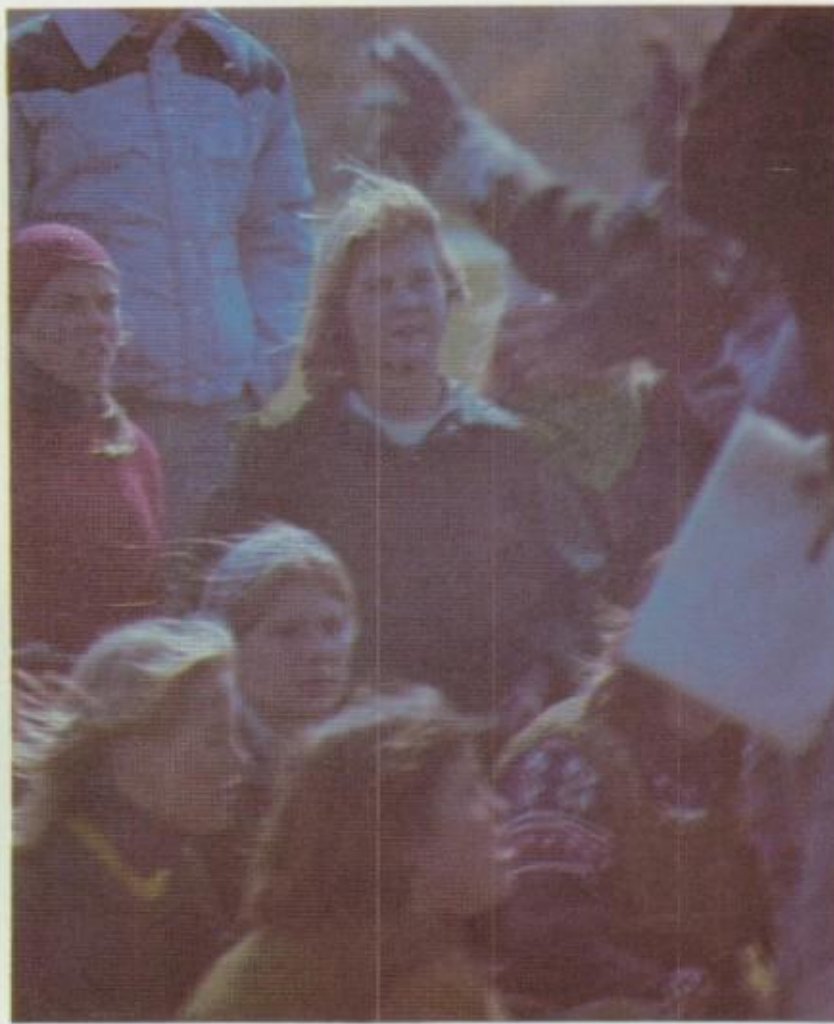

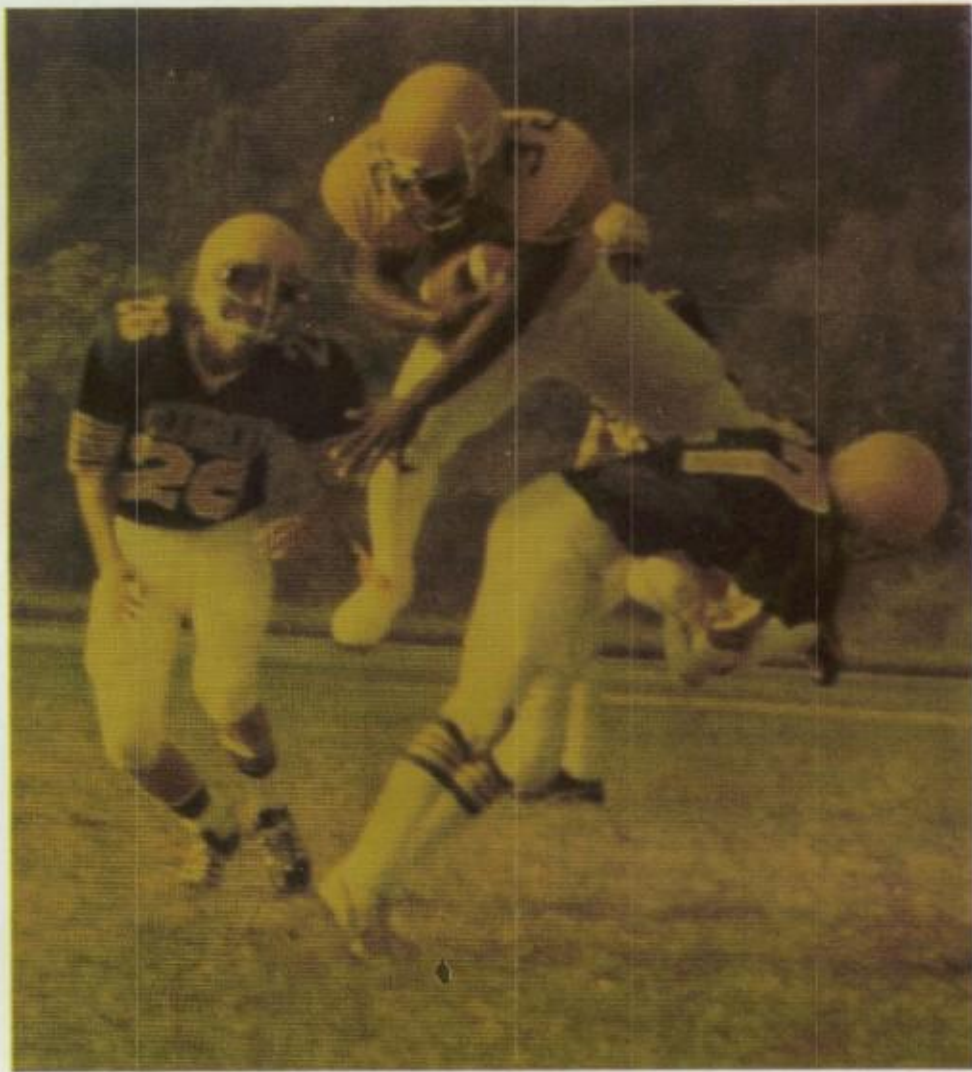

Catch me later

The clash of 77,78,79

Run that by me again? . . .

I'm not afraid to ask . . .

We got a couple of answers.

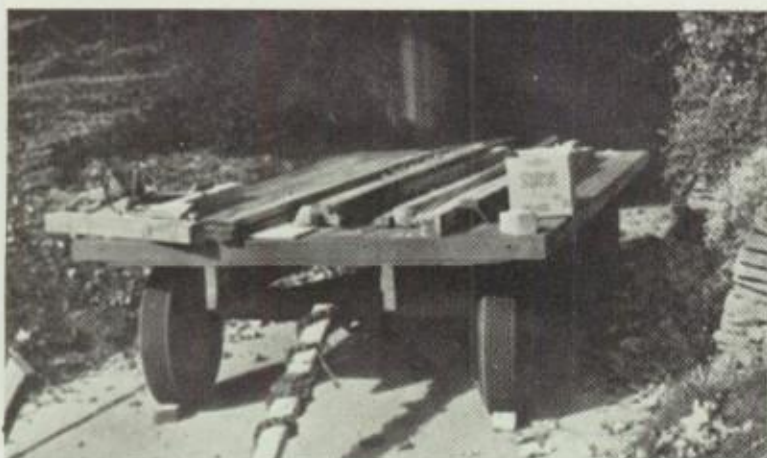

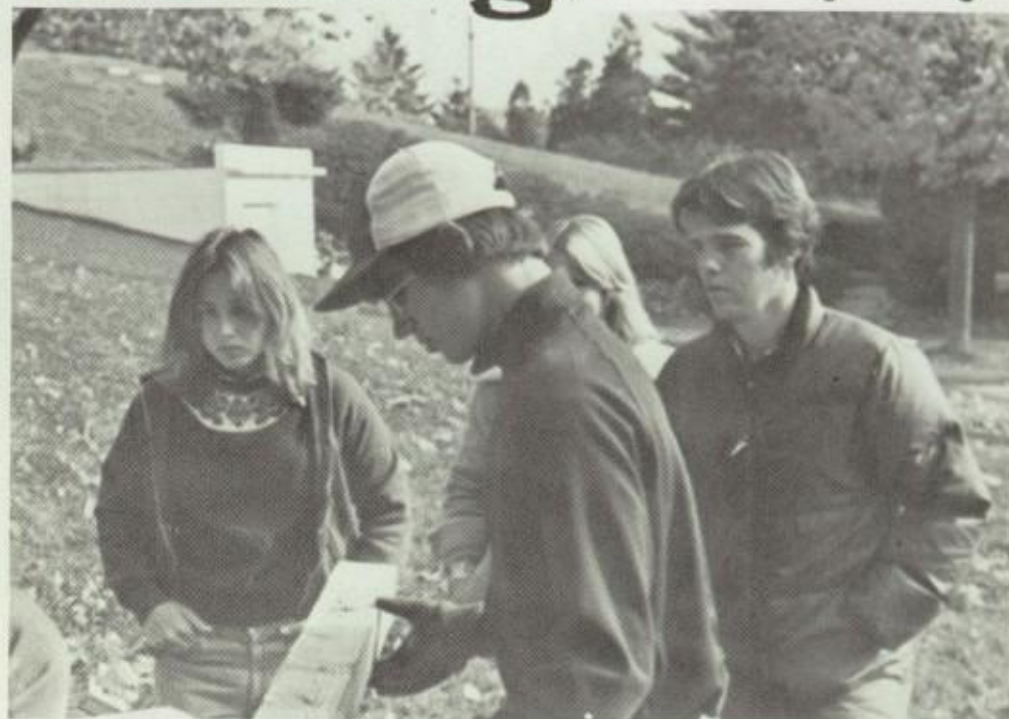

See no evil, hear no evil, have no questions.

What do we do for fun?

A.

Home-coming. . .

Yippy-yi-o-ki-ay, We are "Wild, Wild, Rats" today. The Class of '77 had a real "Show-down at Hollway field" with this Home-coming theme.

After working for a spell the Seniors had lassoed first place for the second season in a row. It was a lot of work, a lot of fun, but the victory and the togetherness made it all worth while!

The Music float felt railroaded when they received only second place, after all, their hard "Workin' on the Railroad." At least it wasn't their "Last Stand" as it was for the Junior's third place float. And all alone in fourth place was the Sophomore's float, "The Lone Rat."

Q: How do you feel about coming in third place?

A: Oh wow! All that work and no cigar! I know we'll do better next year, but that doesn't mean I'm pleased about third place. Oh sure it looks good, it moves, it's well made and colorful but still no cigar! Maybe we were branded from the start. I mean getting all those people together, finding a place to build it and getting the money was hard work. Real hard work! But still no cigar!

Q: What did you enjoy most about the float?

A: Well, I tell you what I didn't like, I didn't care for a few people hasseling us all the time. I feel like they carried things too far. I can understand fun, but there are limits. We worked hard too. Why shouldn't we feel bad?

Can you eat a pie while riding a tricycle? Can you whistle with a mouthfull of crackers? Can you tug the underclassmen into a pile of manure? Can you put on wet pants? Can you put your clothes on inside out while in a sleeping bag?

These people really gave it all they had during the relay race and tug-of-war. Only the Seniors remained victorious, but everyone was filled with Homecoming spirit.

After practicing for a week in the freezing rain, the girls were finally ready for the big football game. It was the Underclassmen against the Seniors, and what a game . . .

C'mm, girls, you call this football?
I call it +xo??x@ . . .

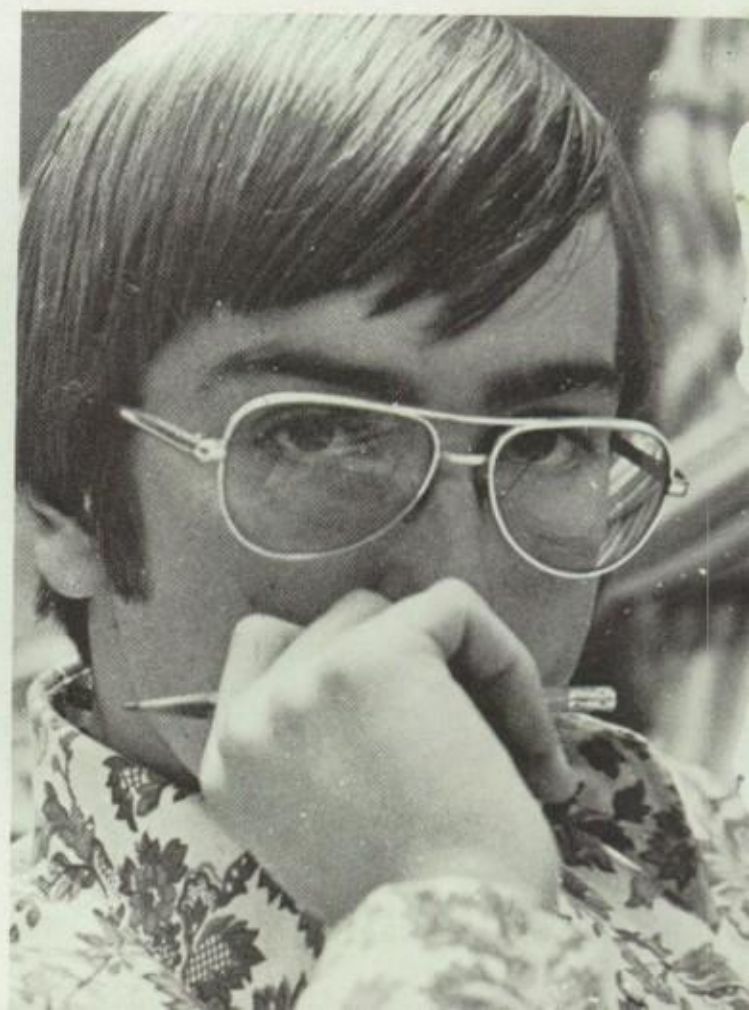

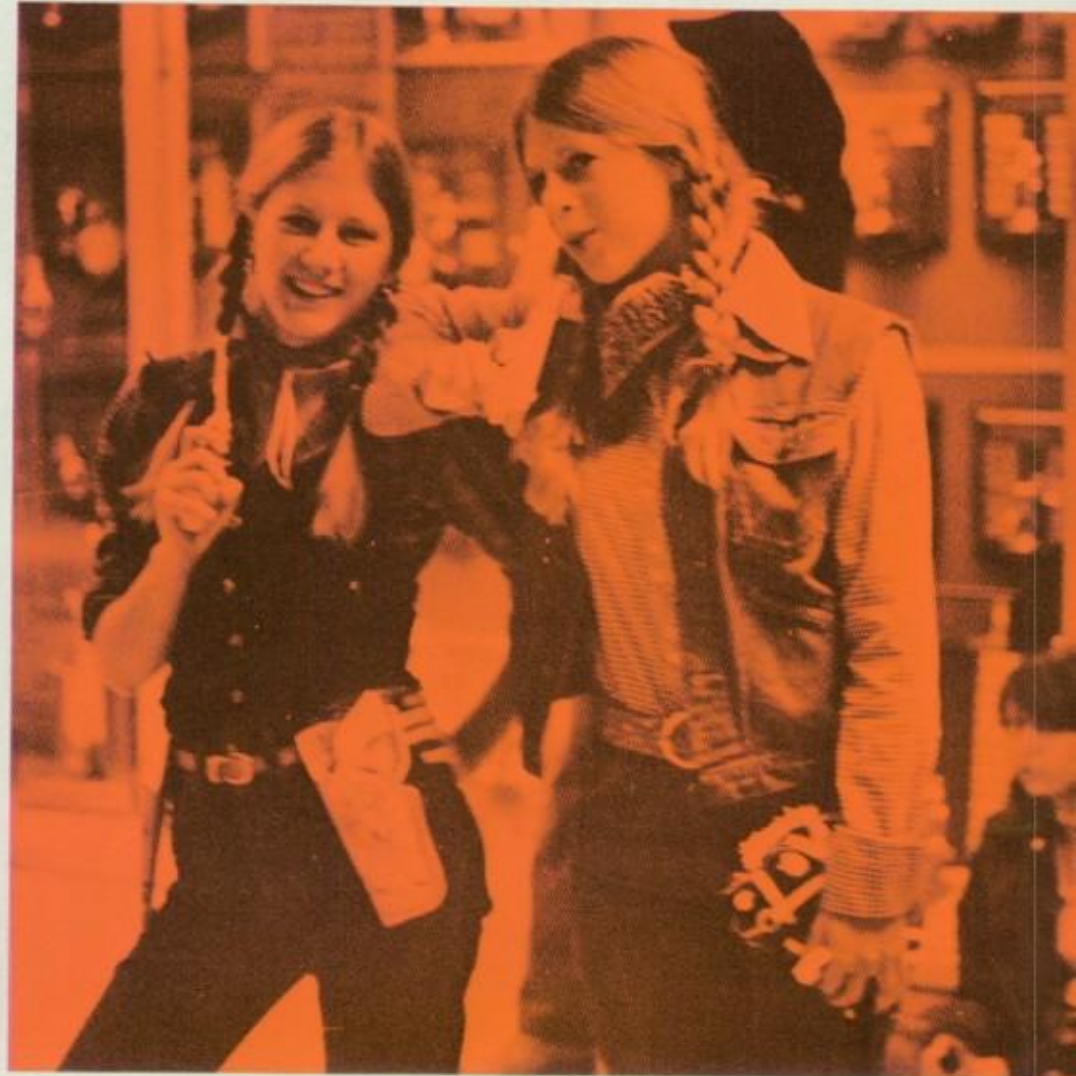

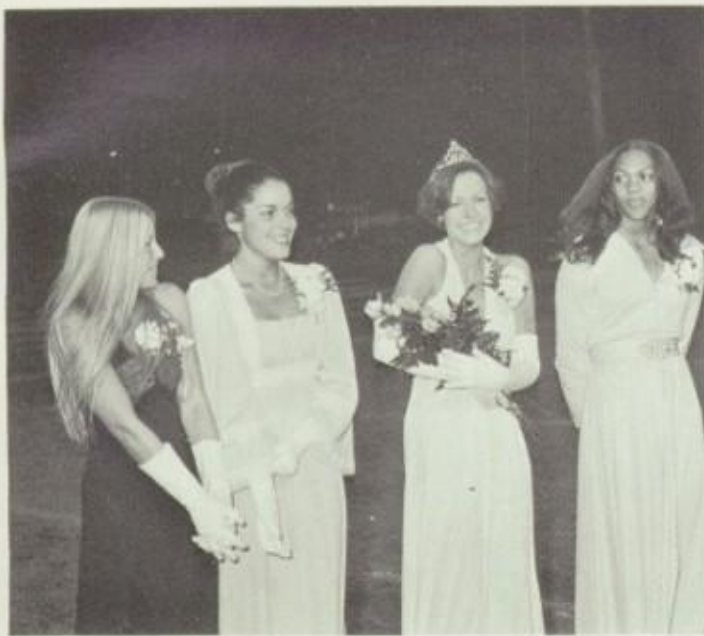

. . . . and what a game it was (for the Senior's anyway)! The score was 9 - 0 in favor of the class of '77.

Homecoming odds & ends

Senior Court: Nancy Abrams, Pandy Arrieta, Kathy Keefer, and Tina Smith

Junior Court: Robin Mainwaring, Lisa Gallagher, and Sarah Peterson

1st Row: Sophomore Steve Dell, Seniors Les Crotz, Brad Wilkinson, and Tim Goodr
2nd Row: Junior Michael Jewett, Sophomore Paul Bohn, Juniors Demar Loving and Steve Fall, Senior Gary Stair. Missing: Sophomore Al Simpson

The second annual Coming Home week was a great success this year. During the weeks activities which included heart and dress-up days, the Sophomores accumulated the most points. A Coming Homes Court was chosen and floats were made. This years winning float was made by the Yearbook Staff (yea!), while senior Gary Stair was chosen as the Coming Home King. The week ended with a dance featuring the band General George.

VARSITY FOOTBALL CHEERLEADERS

A lot of credit has to be given to Cory Parr, our River Rat mascot for the last 3 years. Another important reason for our successful football season was the high spirit and generous encouragement of Captains Shirley Higuchi, Jennifer Weidner, and the 1976 Varsity Football Cheerleaders. Along with keeping the rowdy River Rats fans fired up, they spent hours planning pep rallies and pre-game dinners. They are: 1st row: Tina Smith, Jennifer Weidner, Kim Cook, Shirley Higuchi, April Anderson. 2nd row: Sarah Peterson, Vicki Howe, Ann Harris, Danita Belaire.

The Huorn High varsity field hockey team showed great determination this year.

"We exerted much time and effort toward being successful. Through our daily and weekend workouts we developed our techniques and strategy. We dodged and flicked our hearts out on both the practice and playing field. We appreciated the tremendous support of the student body and all our teammates. This was a season of learning and hard work that we will never forget!" - Anne Grabb -

Huron's women's cross-country team continued its successful tradition this year emerging as the 1976 Fennville Invitational Champions, the Dominican Running Carnival Champions, and as the fourth best team in the state. The team compiled a dual meet record with only one loss. Much of the team's

success this year may be contributed to the great leadership shown by the team's captain, Joy Starks. The team was young this year. Three seniors, who had run before, returned strong. They had a great time and are looking forward to an even more successful season in 1977.

INFANCY

by Thornton Wilder

This comedy deals with the idea that "babies act like adults, and adults act like babies". Members of the cast include; Julie Killinger, Cindy Wrightman, Bob Corbeck, Betty Peters, Melissa Berger, Ana Romeriz and Maureen O'Rielly.

SORRY, WRONG NUMBER

by Lucille Fletcher

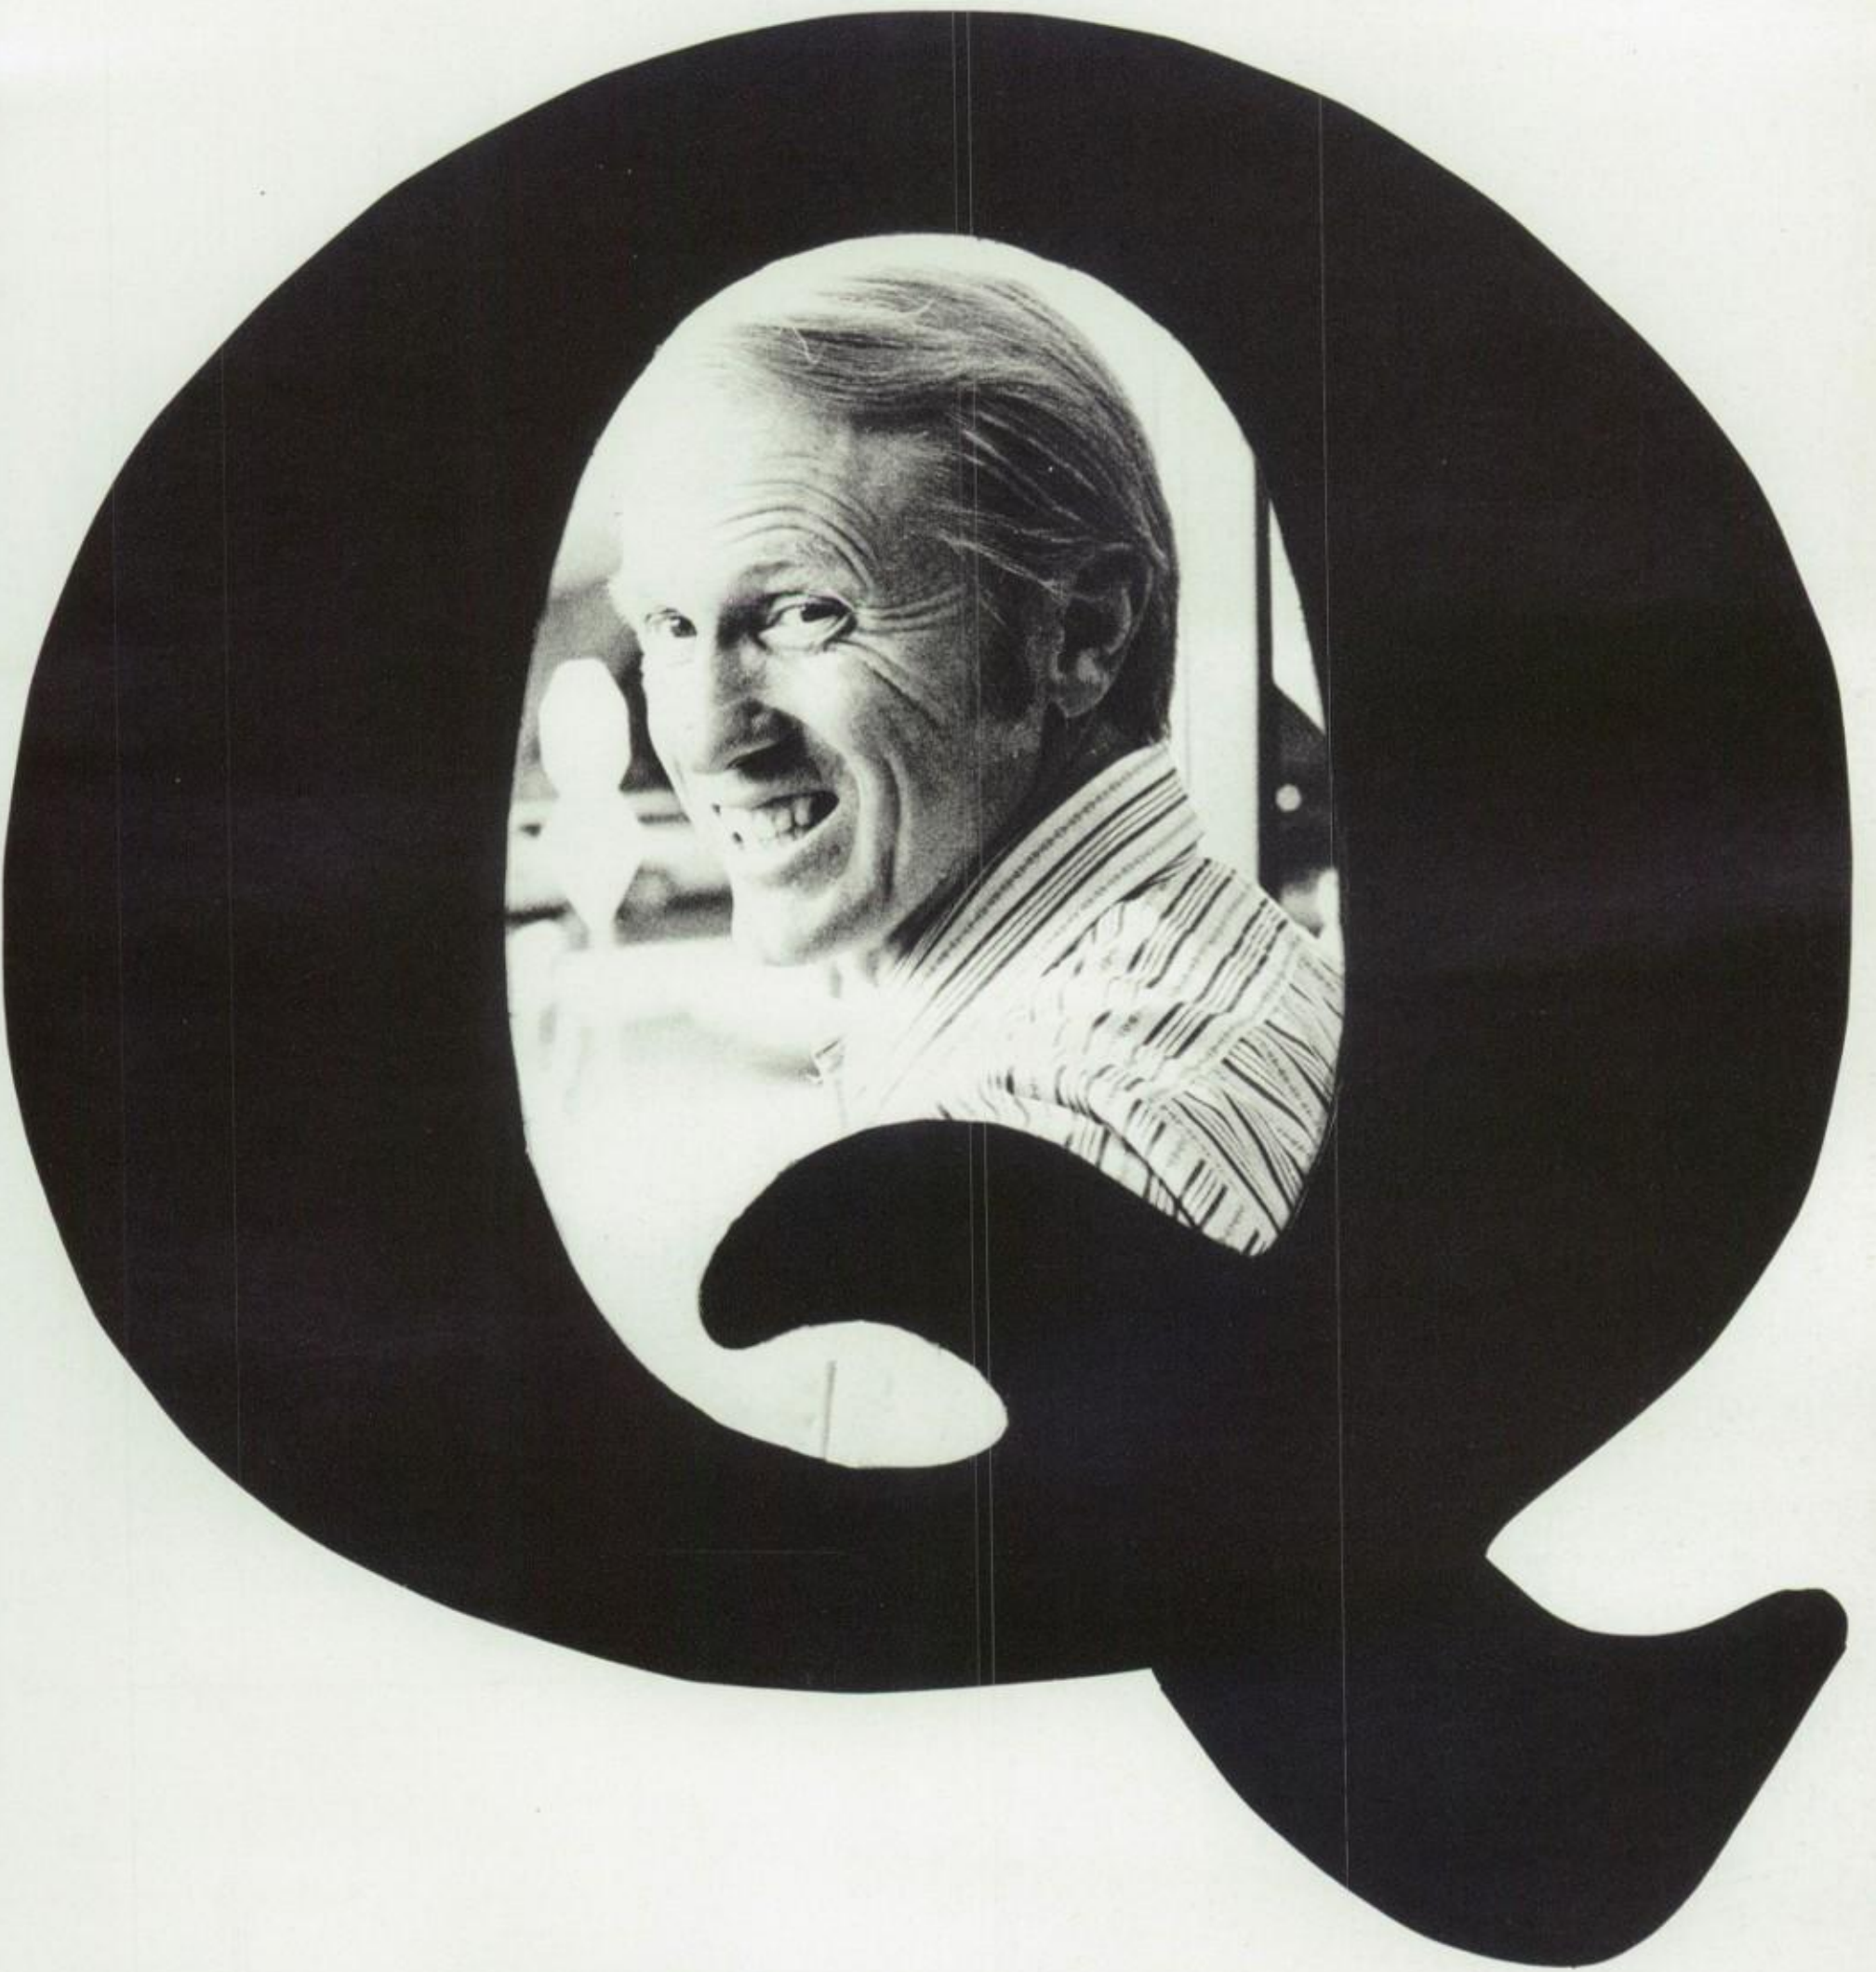

This is a suspenseful murder plot in which an invalid gets involved in helping a potential murder victim. As with all cliff-hangers, the big clincher comes at the end. Patty Mink is featured in the one-character play. The unseen character on the phone was played by Danny Chase.

THE CASE OF THE CRUSHED PETUNIAS

by Tennessee Williams

This play depicts Miss Simple (Lucy Meyers), who lives in prim and proper Massachusetts and Mr. Dull (John Porter), who stands for parties and the wild life. All three one act plays were directed by Mrs. Burnor. The assistant directors were; Sara Grew, Deann Parker, and Kathy Rocco.

Class Principals . . .

Mr. Spriggs

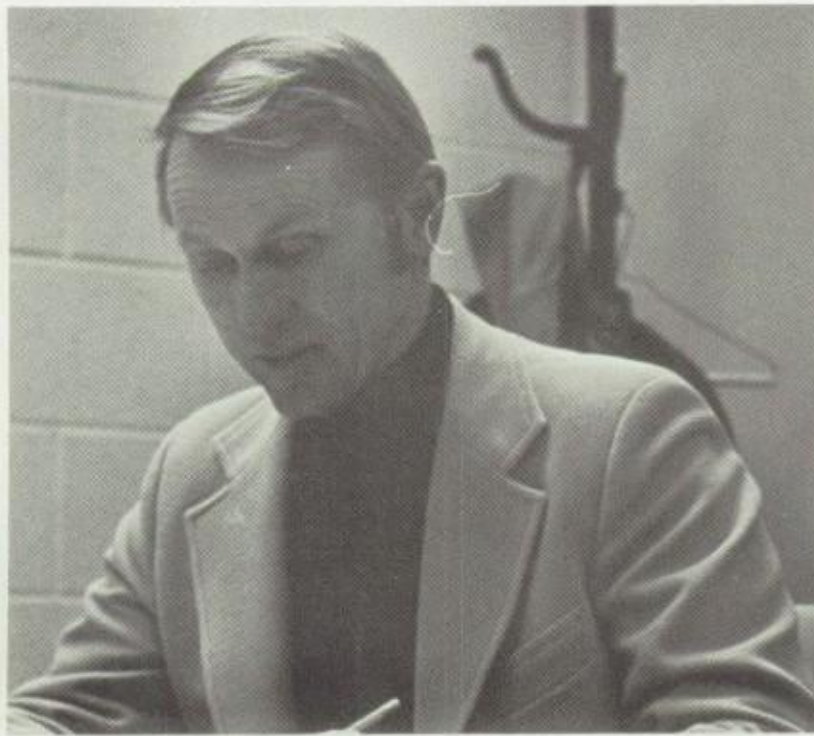

Ms. Latuala

Ms. Szalay

Ms. Hill

Mr. Love

Ms. Mial

Q: Do you think there is enough involvement of students in class activities?

A:1 There is always room for student participation in class activities. A major part of the problem in a large school like Huron is that many students don't know how to become involved. We all need to en-

courage these people to contact their counselor or class principal for information.

Counselors . . .

Mr. Zornes

Mr. MacKenzie

3 Ms. Byrd

Mr. Kinney

Mr. Brown

Ms. Eisenlohr

Q: What kinds of problems develop between students?

A:1 Personality conflicts seem to be the most visible problems and are often the cause of verbal and/or physical confrontation.

A:3 Problems in communication which lead to problems in understanding. In a student population as di-

verse as Huron all of us need to sensitize ourselves to the problems of others.

The Artists . . .

Ms. Crawford

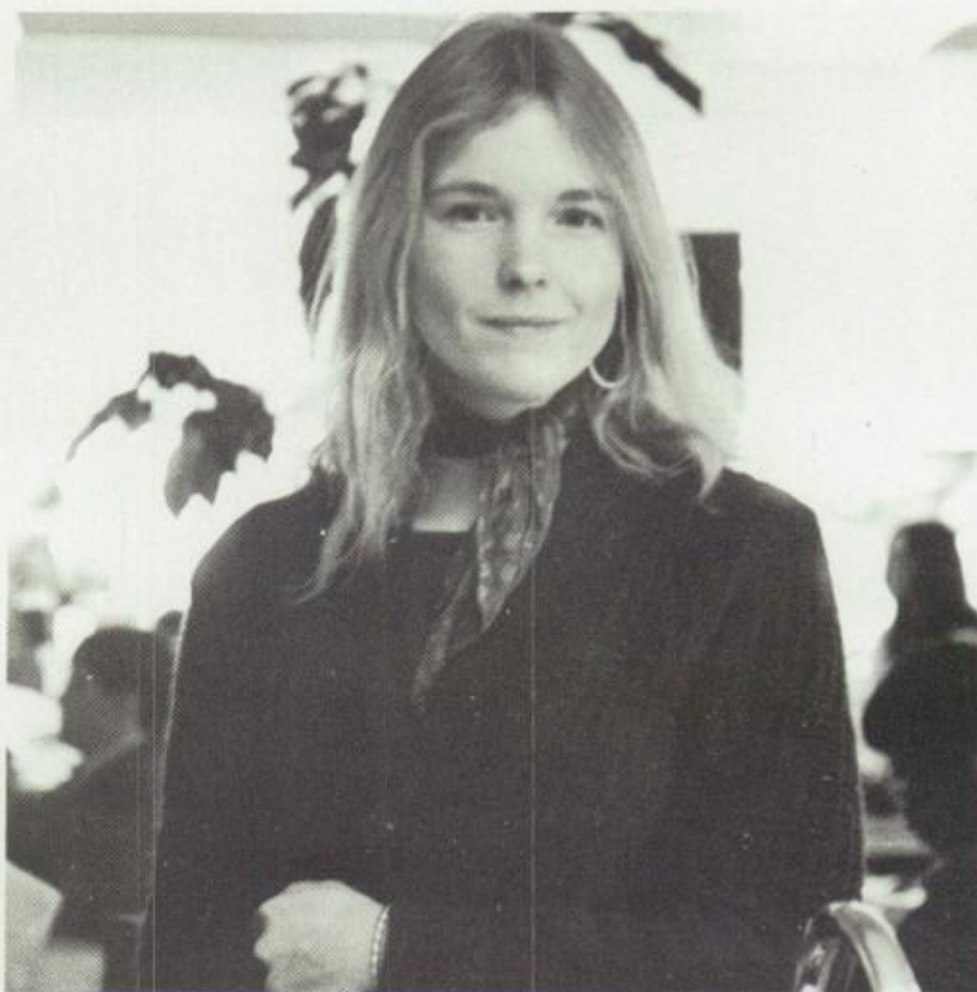

5 Ms. Wilt

Ms. Carrigan

2 Mr. Bowker

Ms. Jackson

Mr. Shields

Q: What do you like to do in your spare time?

A:1 Painting, stage sets, travel in the U.S. and Europe, hiking, reading, listening to music, parties.

A:2 It all depends on the circumstances. Basically I like doing many things, (except reroofing my house at a temp. of 99°) I feel that

attempting a variety of activities helps one cope. I like working with wood, remodeling etc., and I also like visual and do much art work.

A:3 My spare time activities vary depending on my mood. I like working in my garden, riding horses and bicycles, working with clay and listening to music.

A:5 Make-things from paintings, to a roast. I enjoy reading, traveling, doing events with my friends.

Q: Where were you born?

A:1 Muskegon, Michigan.

A:2 Ray, Indiana.

A:3 I was born in Charleston, South Carolina as were both of my parents.

A:4 I was born at 1022 Fuller Street, Ann Arbor, Mi. I was a busting bundle of

joy, my mom didn't have time to make it to the hospital which was only 2 blocks away.

A:5 Ypsilanti, Michigan, Beyer Hospital.

4 Mr. Carrigan

Mr. Bennett

Q: Do you see any differences or changes in the students since you have been teaching?

A:1 Yes, they're getting younger all the time.

A:3 Yes! Skirts are longer, hair is shorter. Less involvement in social issues; more involvement in school extra-curricular activities.

A:4 Yes! The girls (women) are more beautiful, the young men more handsome, and all are more intelligent. Plus, they beat Pioneer!

6 Mr. LaGoe

Mr. Ryan

Mr. Shafer

2 Mr. Merx

Mr. Spencer

Ms. Nimorth

Mr. Stringer

Q: What changes have come about in the school since you have been teaching?

A:2 This is my first year teaching at Huron, although I have been coaching here for three years now. The biggest change I've noted in that time is that the Rats of Huron High School no longer suffer from

Pioneer-it-is now that Huron has crushed Pioneer on the football field.

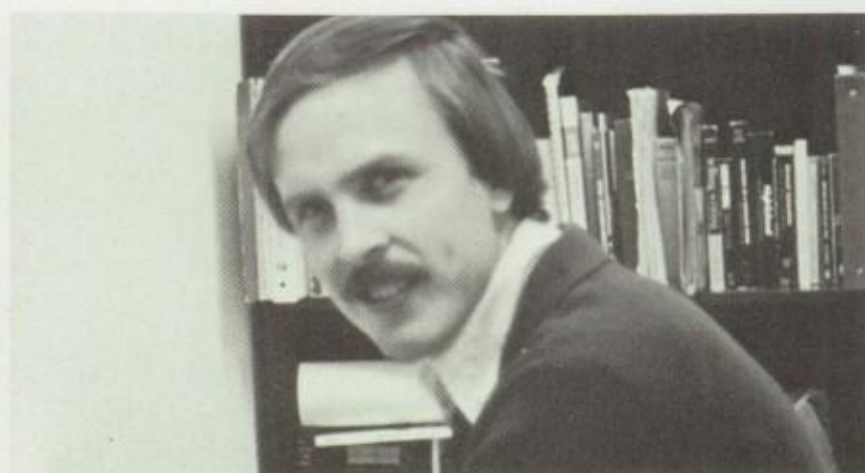

A:6 Freshmen have come and gone, so have two Superintendents. But the most interesting change at the moment is what I believe to be a resurgence of student interest in the High School. I'm hoping for an

active Student Council soon.

Q: What did you do over summer vacation?

A:5 During summer vacation my husband and I drove to the West Coast, where in the town of Santa Cruz we shopped for a house. Santa Cruz, which is near San Francisco, offers contact with the sea, with desert, with deep redwoods; it has

a University and varied cultural life (lots of book stores); it has a diverse population. Someday we'll live in our house, which is now rented.

Q: If you could live anywhere in the world where would you live?

A: 3 In a place where there is peace and tranquility, beauty, enthusiastic and loving people living in harmony and perfect Coexistence.

A:4 Australia, the year round

climate is more than pleasant.

Q: How do you feel about the Industrial Arts program in the school?

A:2 The Program at Huron is probably as good or better than any in the state. The students have the opportunity to explore interests

and then follow up with the development of employable skills.

Q: If you could change one of the worlds problems, which one would it be and why?

A:1 It would be to install in each one of us a sense of consideration and thoughtfulness for others. If that happened there would be no more pop cans or litter, very few traffic accidents, less hurt feelings, fights,

trip-offs. Sounds like the Golden Rule doesn't it?

Q: If you could change one law, which one would it be and why?

A:2 I would change the law that puts a starting and ending date on High School athletic teams. Young athletes who desire to be the best should not

be forced into stopping their training.

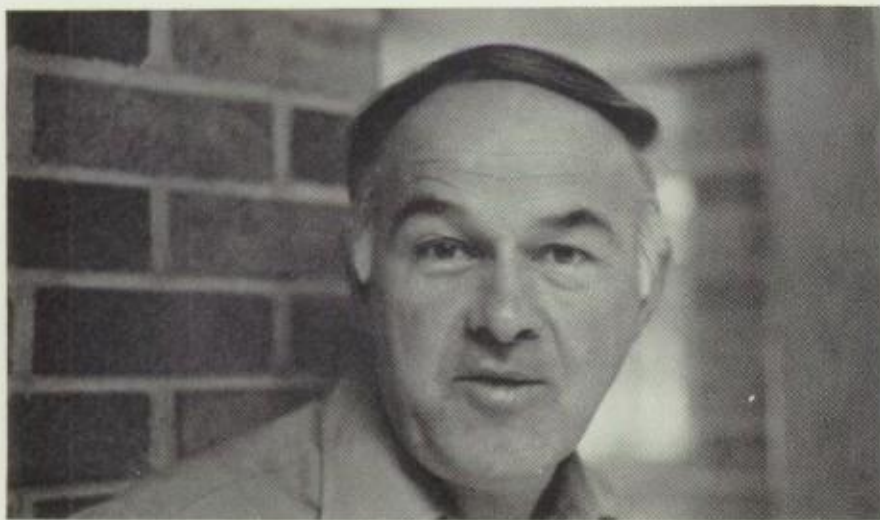

Science Teachers . . .

Mr. Hill

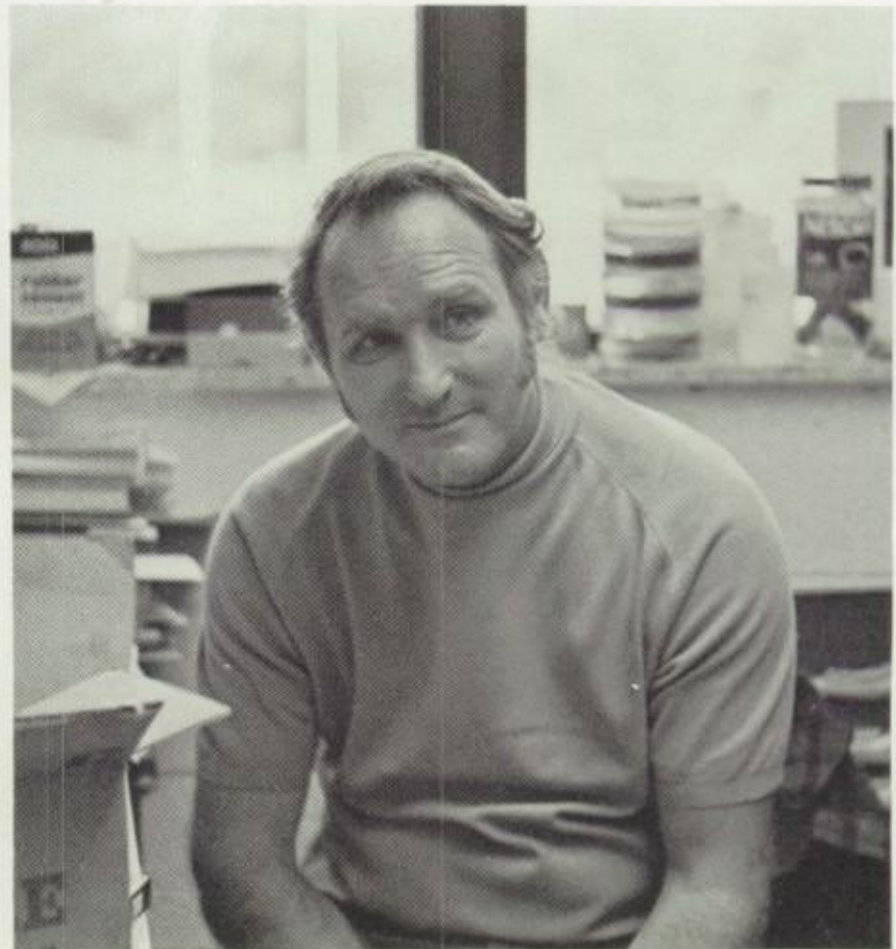

2 Mr. Gray

Mr. Cowell

Mr. Duneske

Mr. Hunter

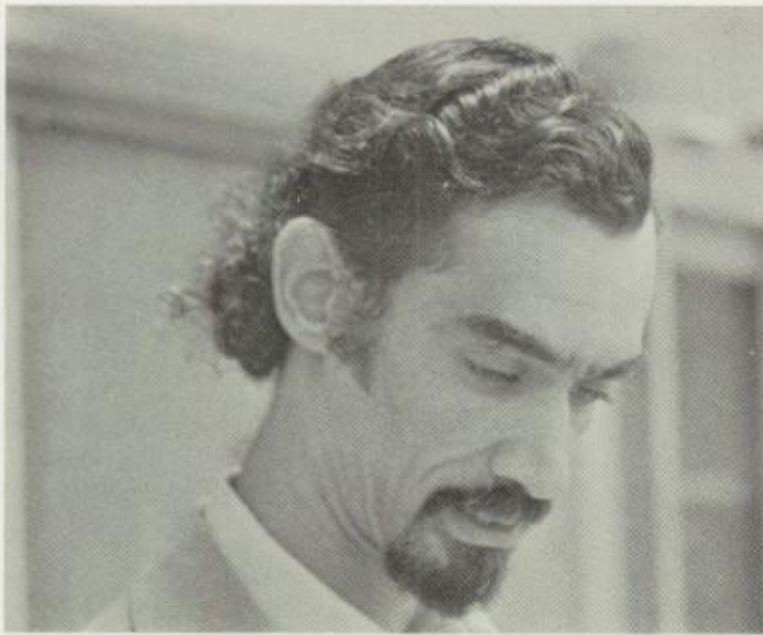

Q: What would you like to do if you had a million dollars?

A:1 Buy a dozen golf balls and with the remaining \$999,970 buy the world's supply of blinking christmas tree lights and send them by rocket to some remote galaxy.

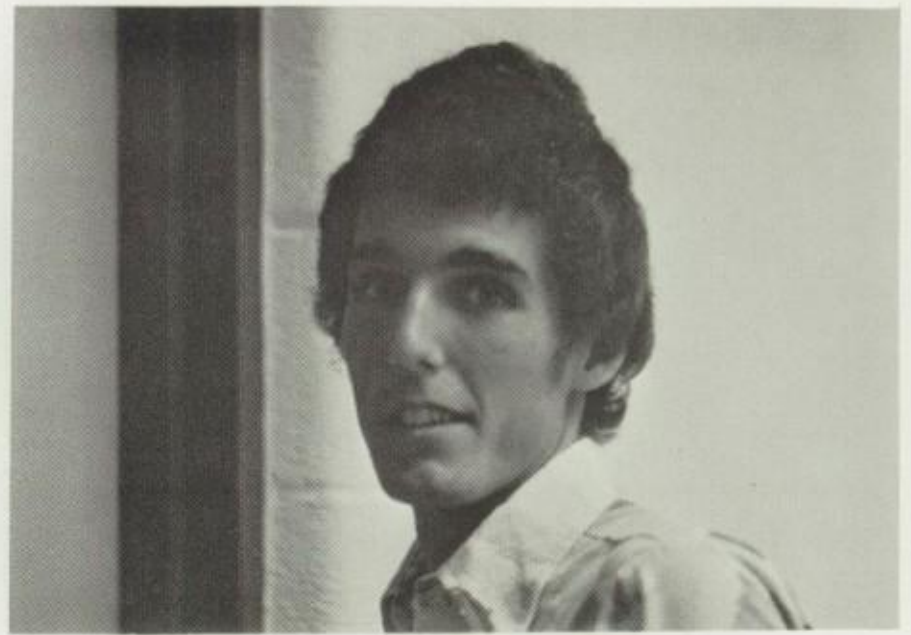

Q: If you could live in any period of history, past or future, when would it be and why?

A:2 The present. Never until the present time has there been such an explosion in knowledge about the natural world. The DNA molecule, continental drift,

the Big Bang, the computer, . . . Incredible.

3 Mr. Handlon

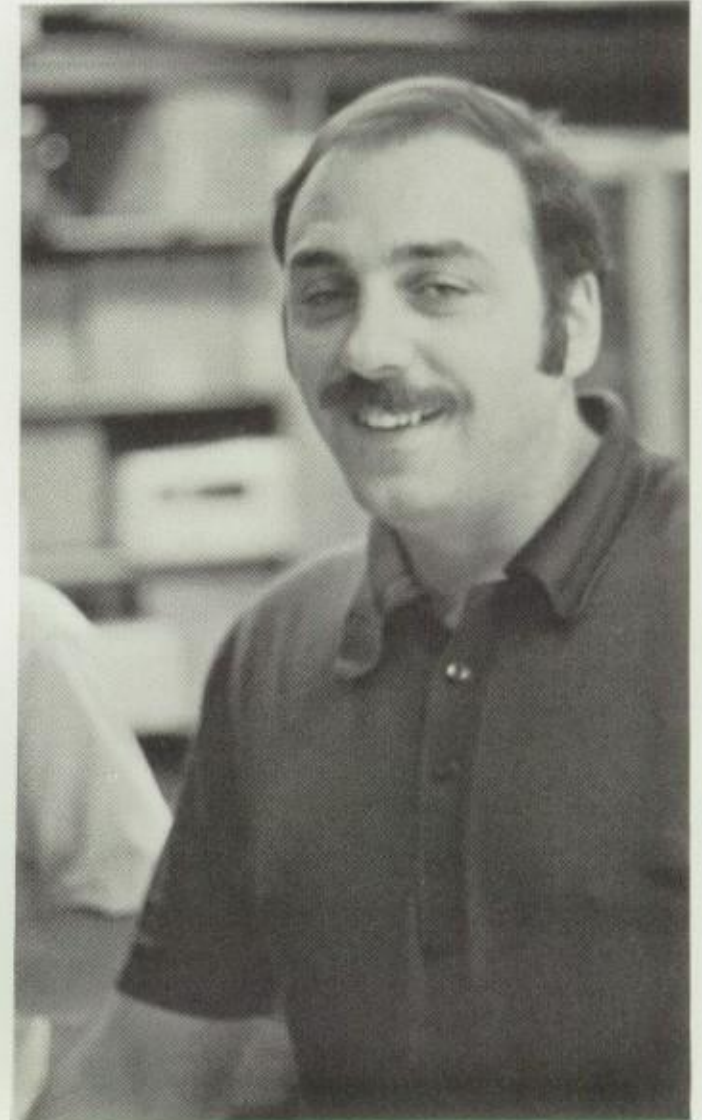

Mr. Hubbard

Mr. Pokela

Mr. Shull

4 Mr. Thomas

Q: If you could travel to any place in the world, where would it be and why?

A:3 The North Pole. Extremes fascinate me. It would be interesting to stand on the very top of the world and see the Northern Lights.

Q: If you could change one law, which one would it be

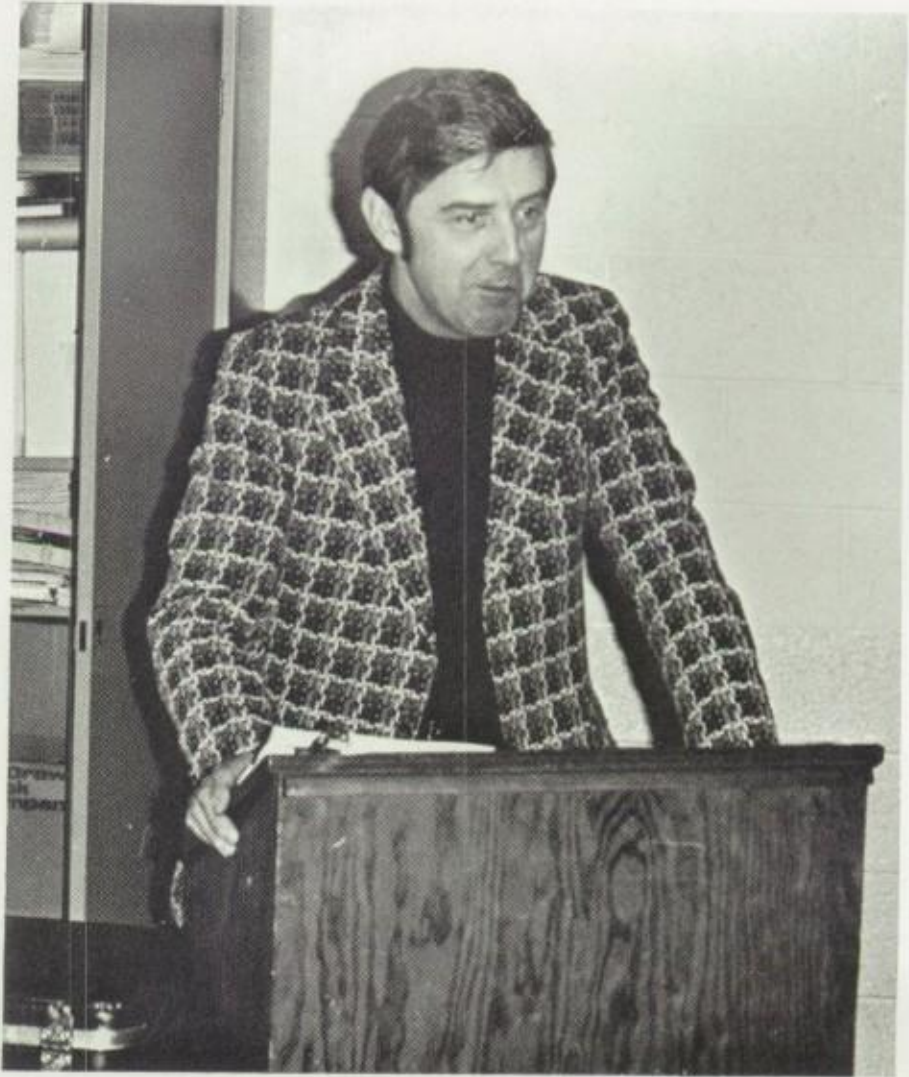

and why?

A:4 (If the Law applies to school policy, I would like to see this rule changed.) Absences due to field trips should not be counted against a students attendance record because he has no control over the decision.

A:1 If I could have been rich, I would like to have lived in England from 1850 - 1914, when Great Britain was at the height of her Empire. European arts and letters

flourished medicine had entered the modern age and industrial technology was on the rise.

C.O.E. Teachers . . .

Ms. Fee

2 Mr. Underwood

3 Ms. Ligeski

Q: If you could change one law which one would it be and why?

A:2 The law that requires students to attend school until they are 16 years old. Keeping students in school only because it is a law will achieve little to motivate a student to work at their studies.

Q: What would you like to do if you had a million dollars?

A:3 I hope tax free! First I would take a first-class trip around the world with plenty of time in Europe especially Switzerland and Italy where I have always wanted to visit. Second, I

would by a new car - Mercedes Benz. Third; I would have a full time house keeper.

Q: If you could live in any time, past or future, where would it be and why?

A: If I were to choose another time period, it would be the future: The time when outer space will be as common as today's air travel.

Q: If you could travel to anyplace in

the world where would you go and why?

A: I would travel all over the United States. I believe in "See America First."

Q: If you could travel to any place in the world, where would you go and why?

A: Paris France. I would like to see

some of the historical sights that I studied about in school.

Nurse, Police & Human Relations.

Mr. Thomas

1 Ms. Padgett - Police Officer

2 Ms. Kyprie - Nurse

Q: What would you like to do if you had a million dollars?

A:1 If I had a million dollars, I would retire from work, devote more time to my family, travel and just plain relax.

Q: If you could travel any place in the world, where

would you go and why?

A:2 I would go to Brussels, Belgium - because my daughter lives there.

Ms. Fuerstnau

Ms. Dusseau

Ms. Boychuck

Ms. Bowerman

THE HURON SECRETARIES

They're awfull sweet and nice,
They're quite like little mice,
and you might not notice them,
but, if they were not there
you would sure be aware of all
the things they do for this school!

The Senior Class of 1977 would like
to thank all the Huron secretaries
for all their help and assistance.

Ms. Greenough

Ms. Trowbridge

Q: If you could change one of the world's problems which one would it be and why?

A:1 After much thinking, I can not come up with one world problem over another that I would change. How do you choose between poverty, over-population,

world peace, etc. Changing one thing would indeed help solve some problems but which one would you change first?

Speech & Drivers' Ed. Teachers . . .

Ms. Burnor

Ms. Kreger

Mr. Henson

Ms. Stolarevsky

Q: If you could change one law which one would it be and why?

A:1

The law which says that students under 16 cannot drive with parents until they get a permit.

Q: If you could change one of the world's problems, which one would it be and why?

A:1 Alcoholism, which is very serious in America. After all alcohol is a drug and I think people should finally realize that.

Special Ed. Teachers. . .

1 Ms. Warden

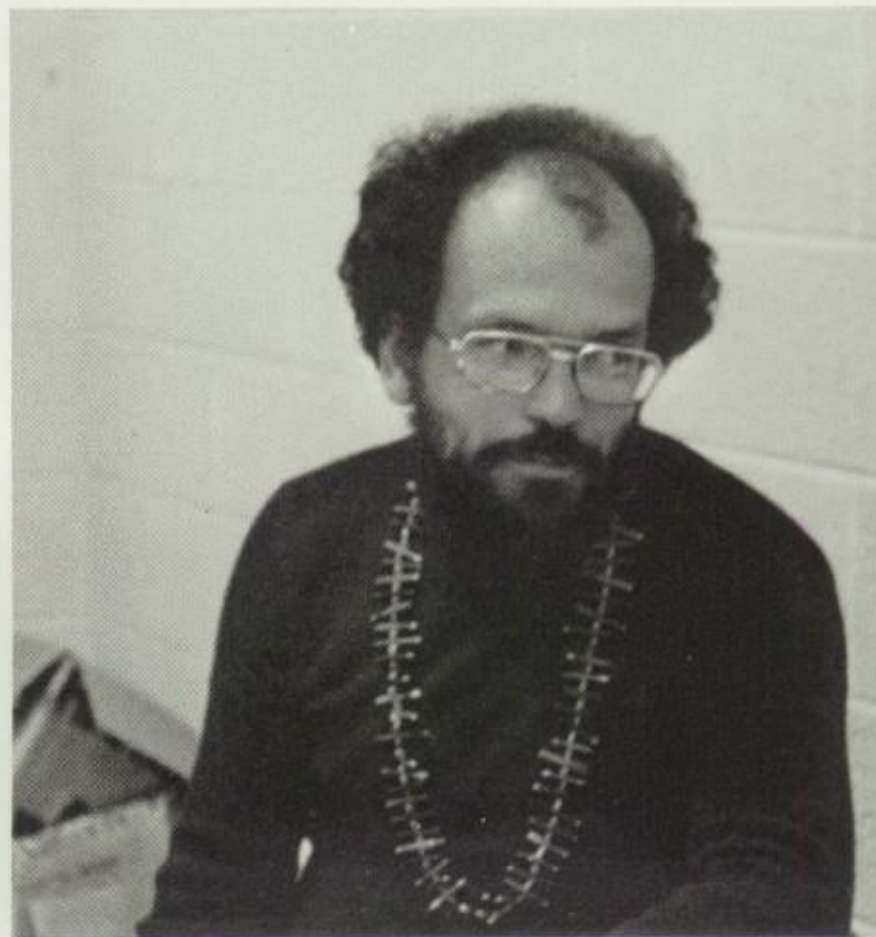

Ms. Ryan

2 Ms. Hamilton

Ms. Sorrell

Mr. Ballard

Q: If you could change one of the world's problems which one would it be and why?

A:1 I hope for a time when people will accept others as they are, without prejudice or unfairness, helping others to fulfill their potential as individuals and as members of our society.

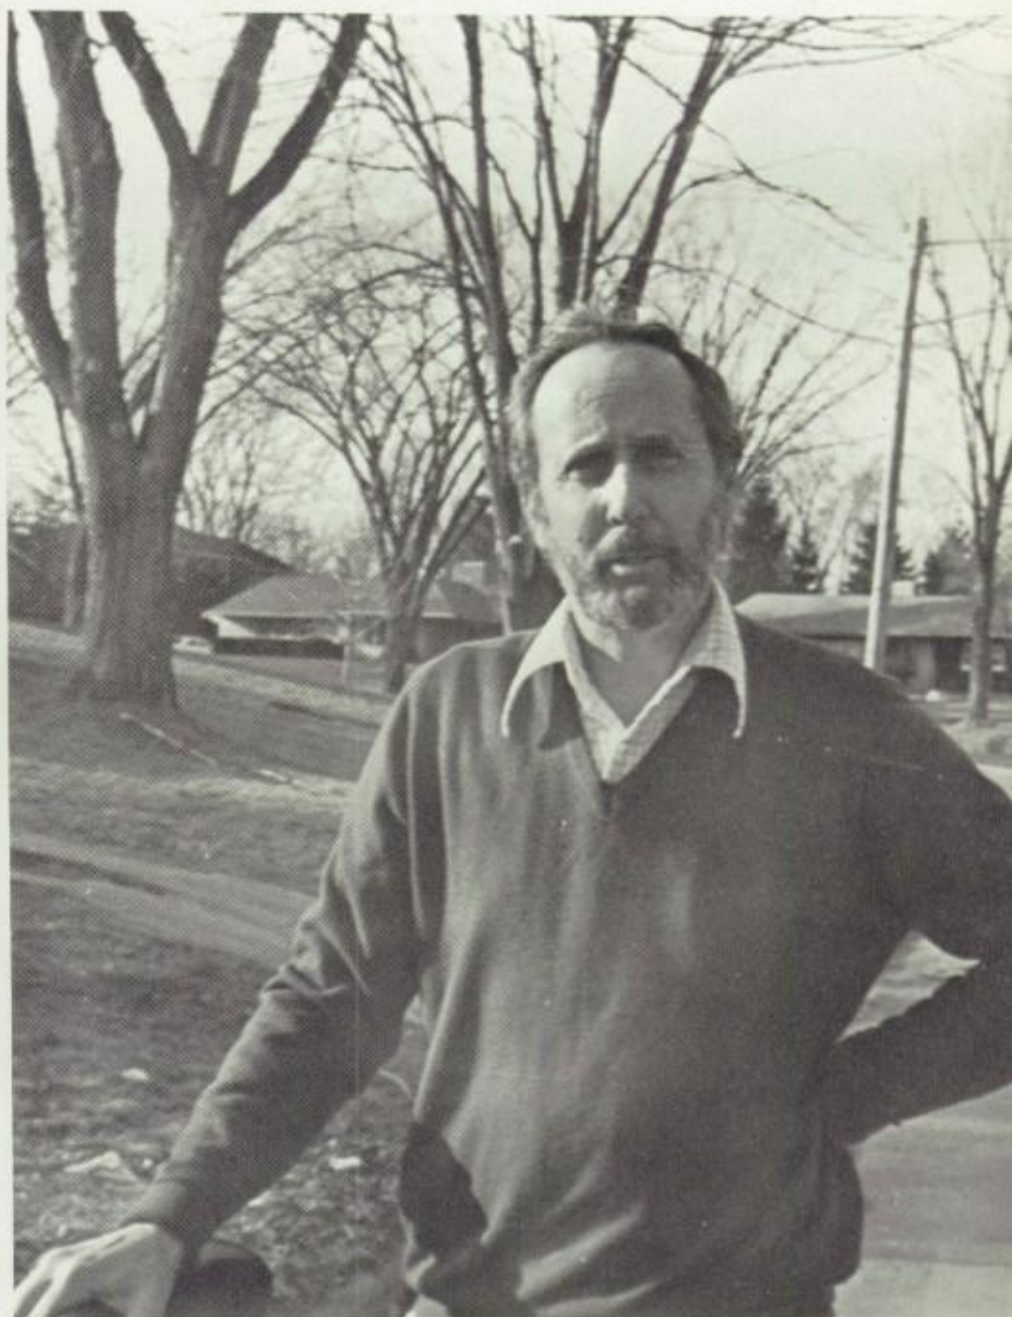

the world, living or dead, who would you be and why?

A: Sir Richard Francis Burton (1821 - 1890), British explorer, writer, and scholar of Islamic customs and languages, whose exploits and travels in Arabia, Ethiopia and other parts of Africa make for a

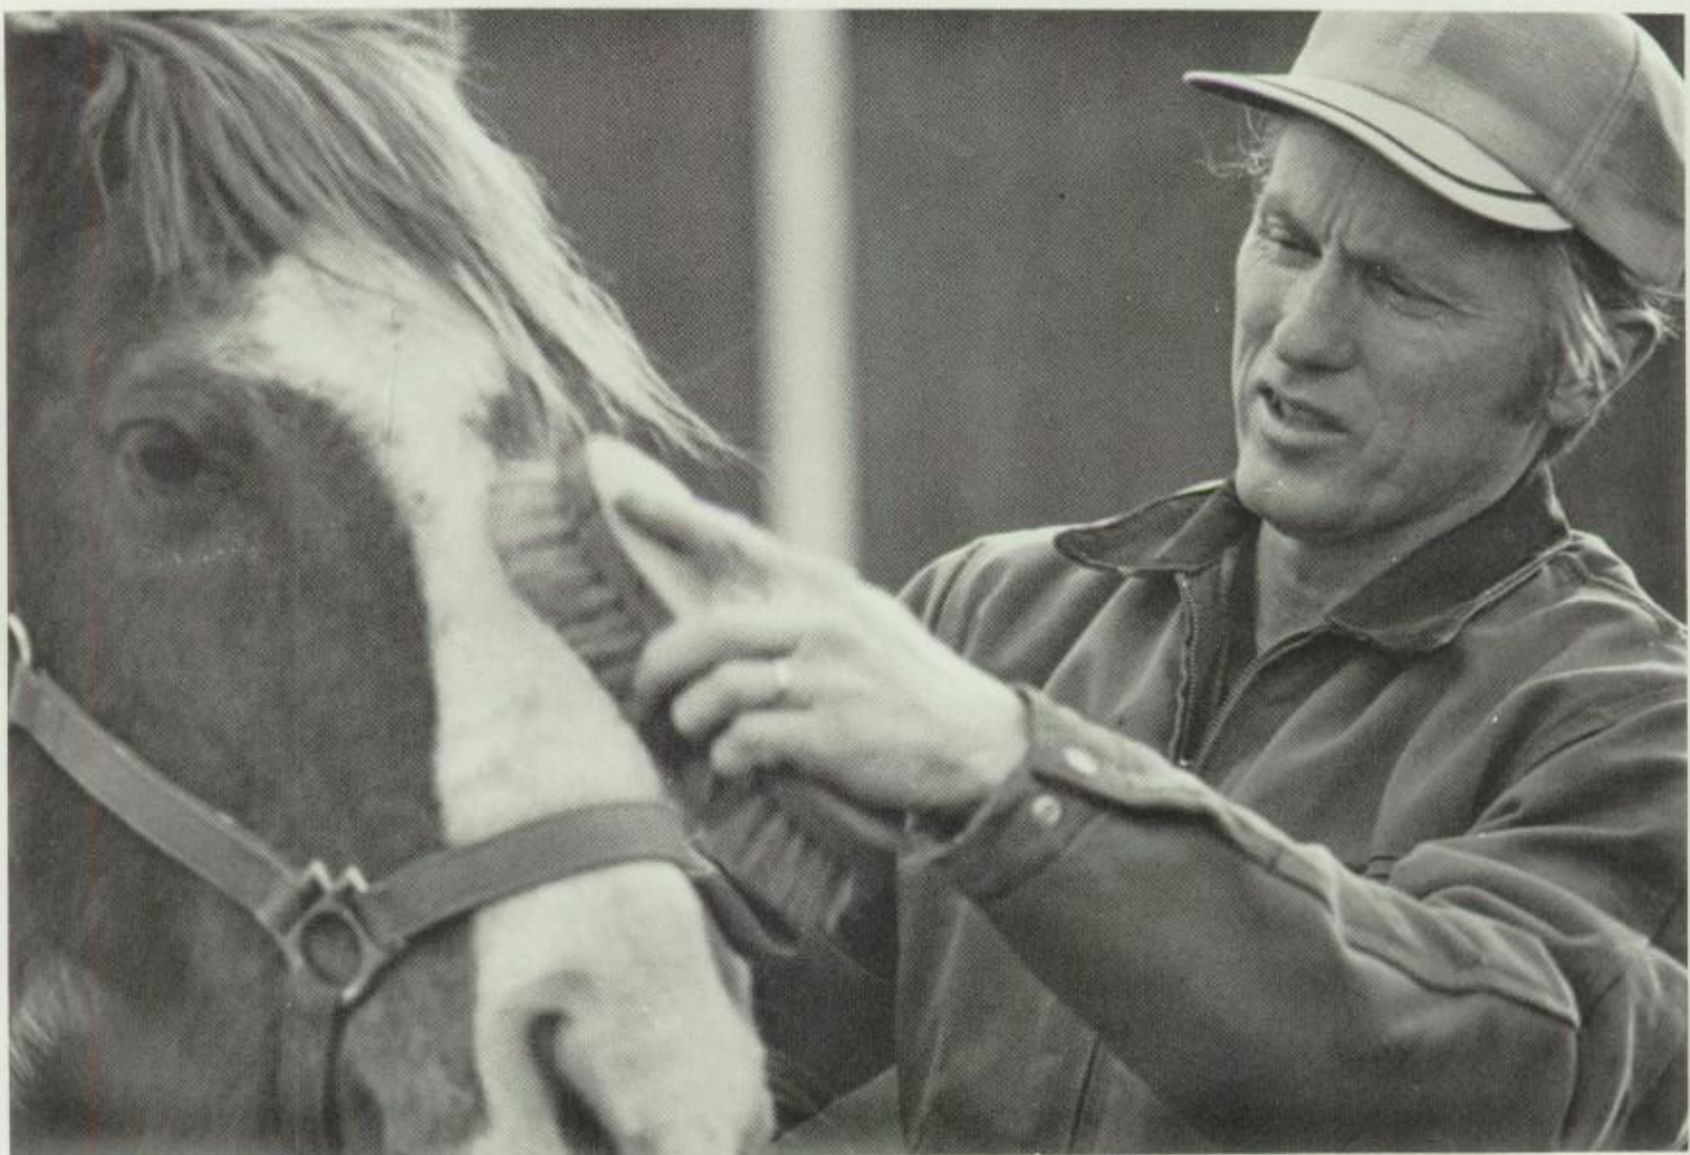

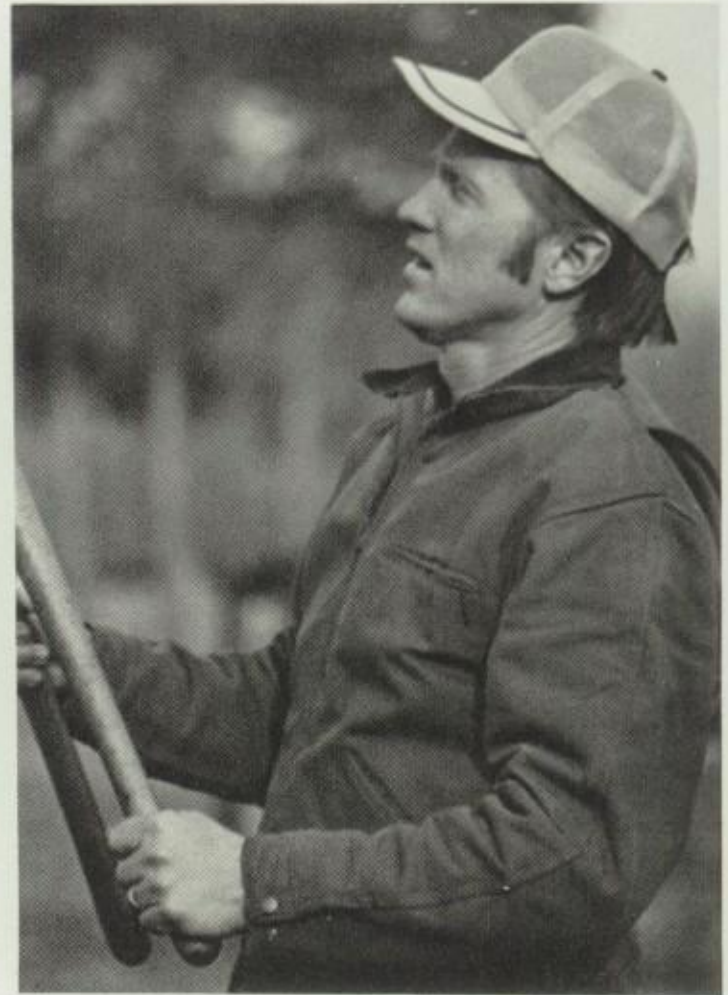

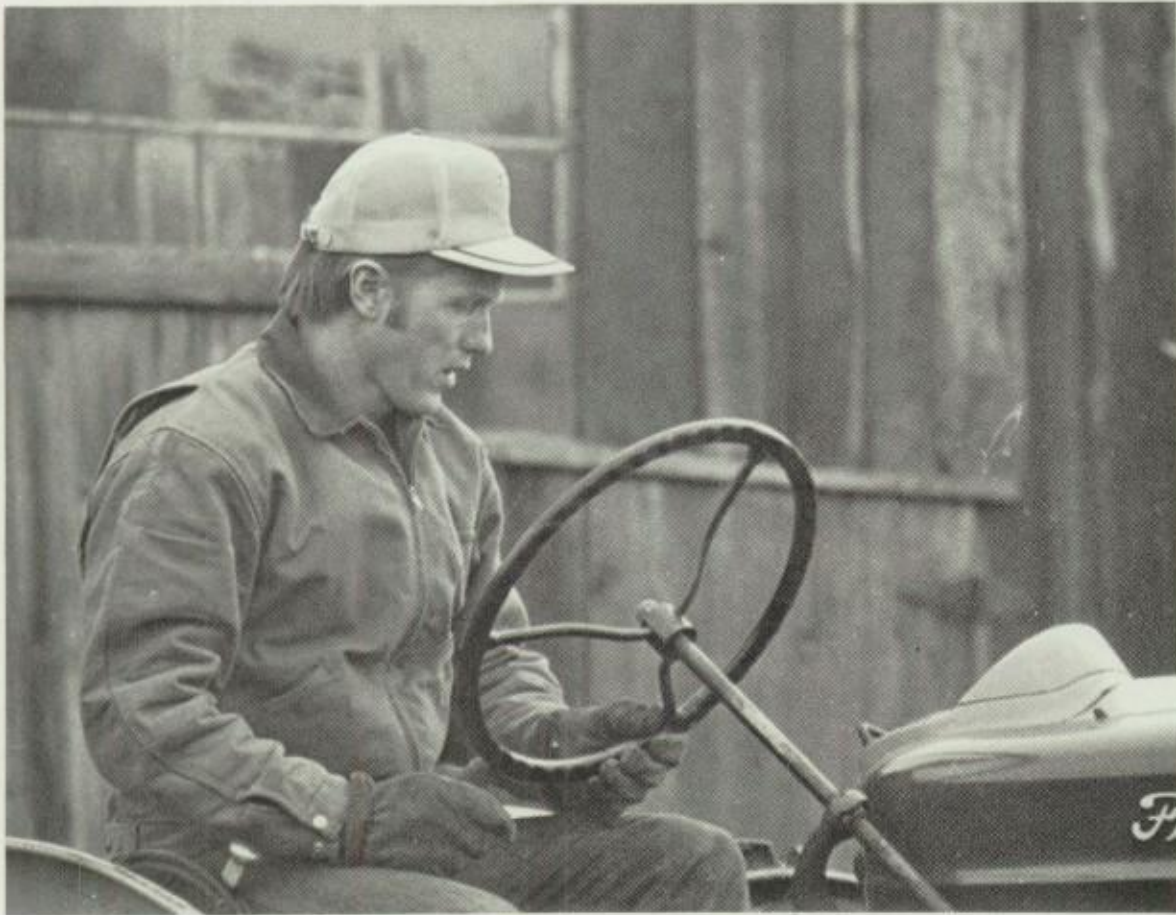

very exciting reading.

DEBORAH A. McEWEN

A root
of reality,
planted
into the ground,
springing forth
seeds of life,
Creating new
seedlings,
Cycling again
And-
again,
changing little with
time.
(Basic elements remain
the same--
UNCHANGED).

Debbie, as you enter your junior year look upon it as the seeds
which will flower into your future. Cultivate and nourish them.

From
Love of self
all else
emanates.

Cultivate yourself,
nourishing
inner joys.

DEBRA E. CALVERT

Where you are,
What you see
is a creation
of the mind.
Create and experience
beauty, goodness,
truth.
It is what you seek.
It is yours--
Realize it and enjoy it.
Create,

P A I N T
with
your
mind.

Debbie, as you leave Ann Arbor Huron High School to embark upon
life's journey, reflect, and remember it as a stepping stone,
a building block to your future.

Focus on
an inner thought--
Create your
own Mood.

How does this book end?

A. We gave it much thought

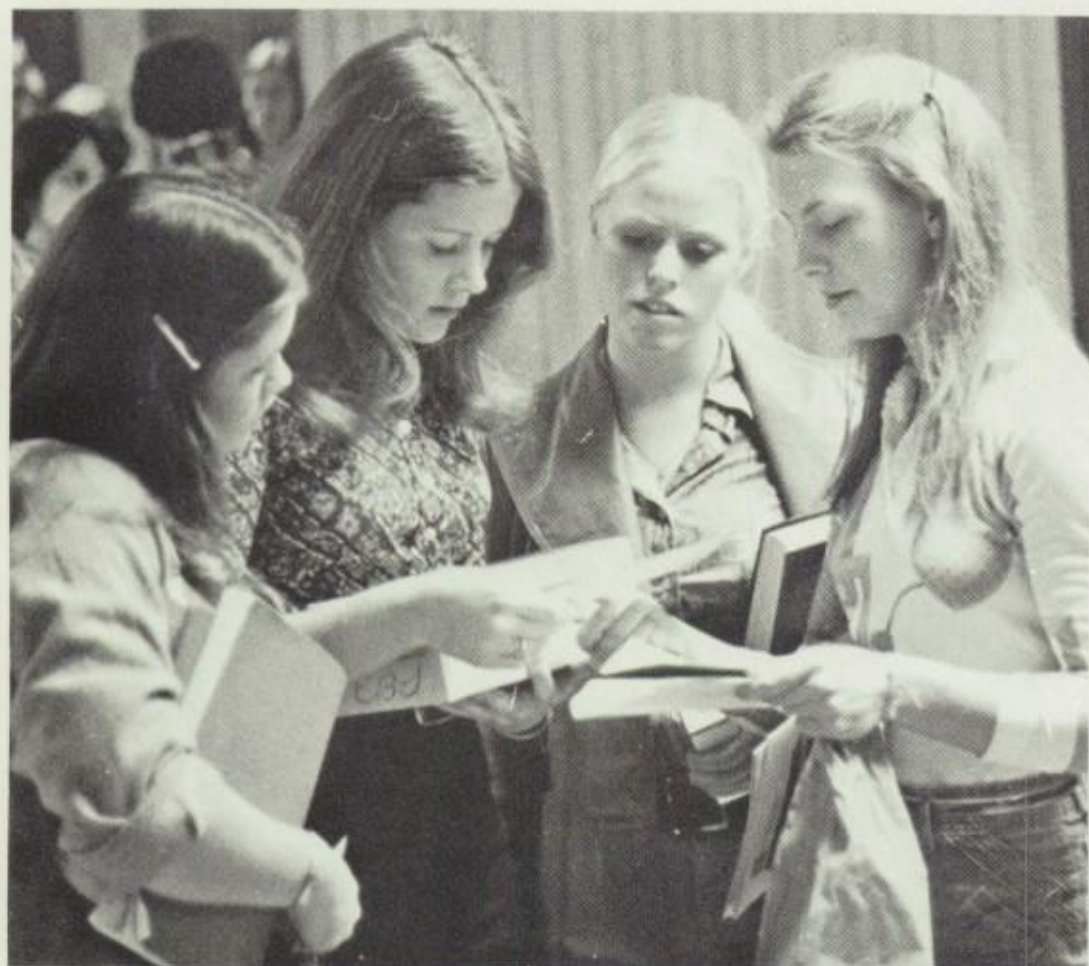

We asked some Graduates

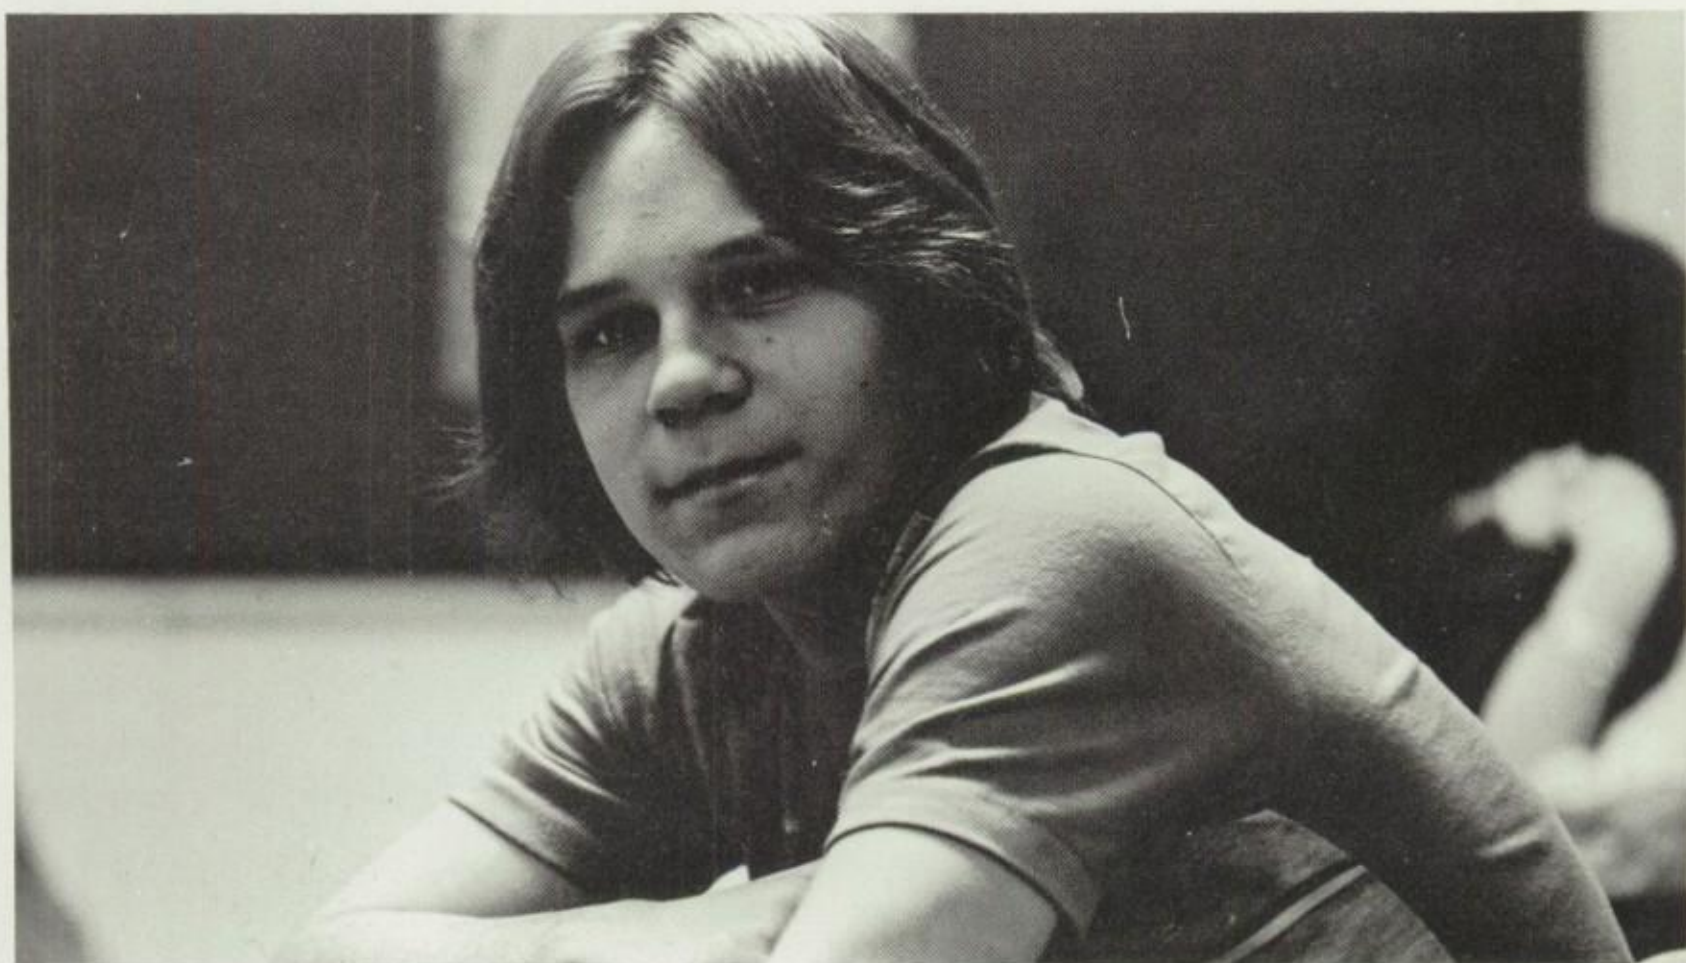

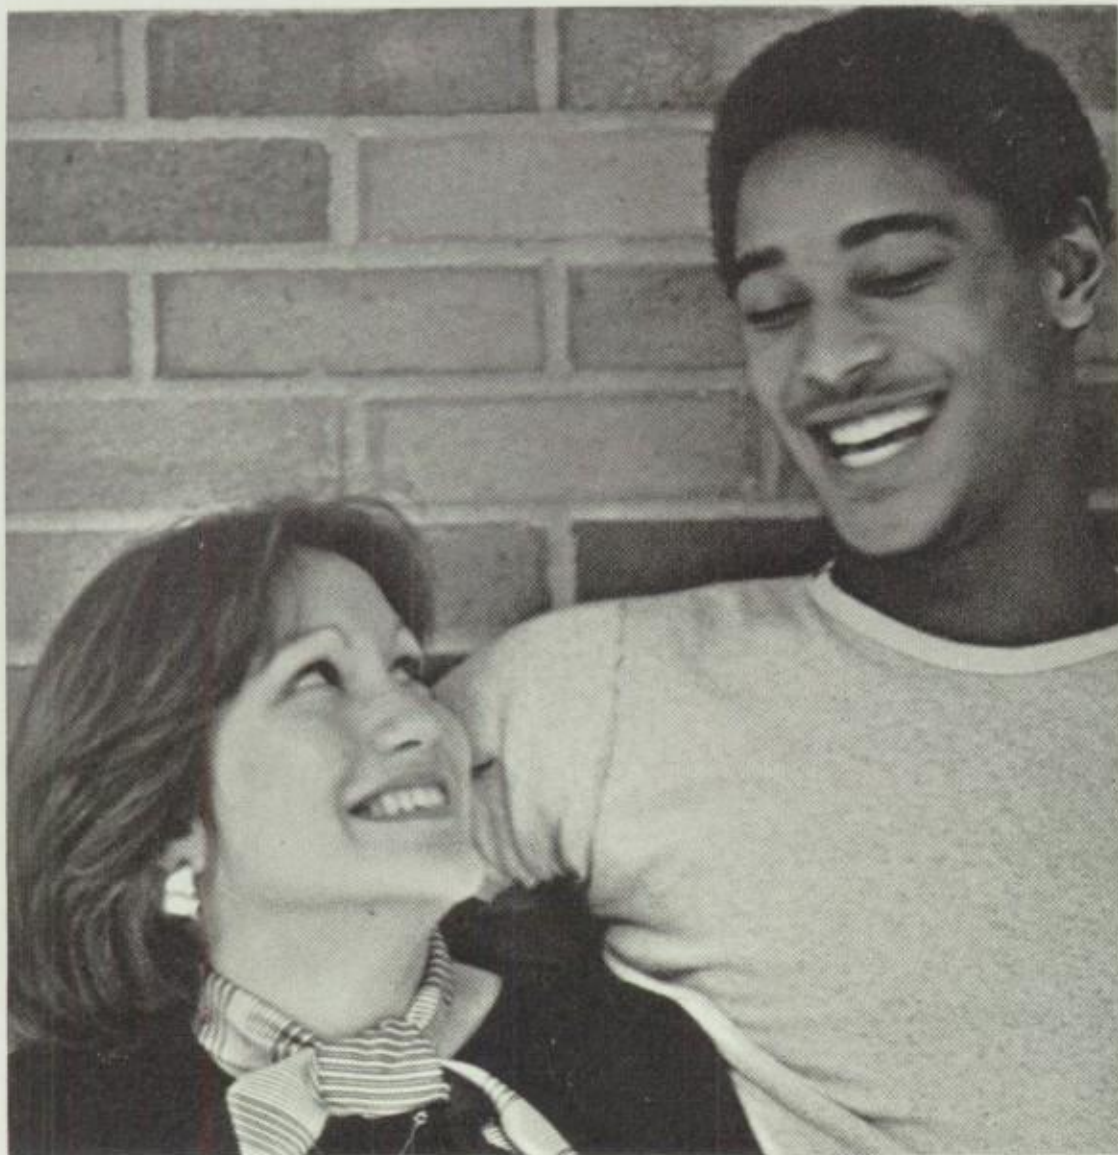

Some Rookies too

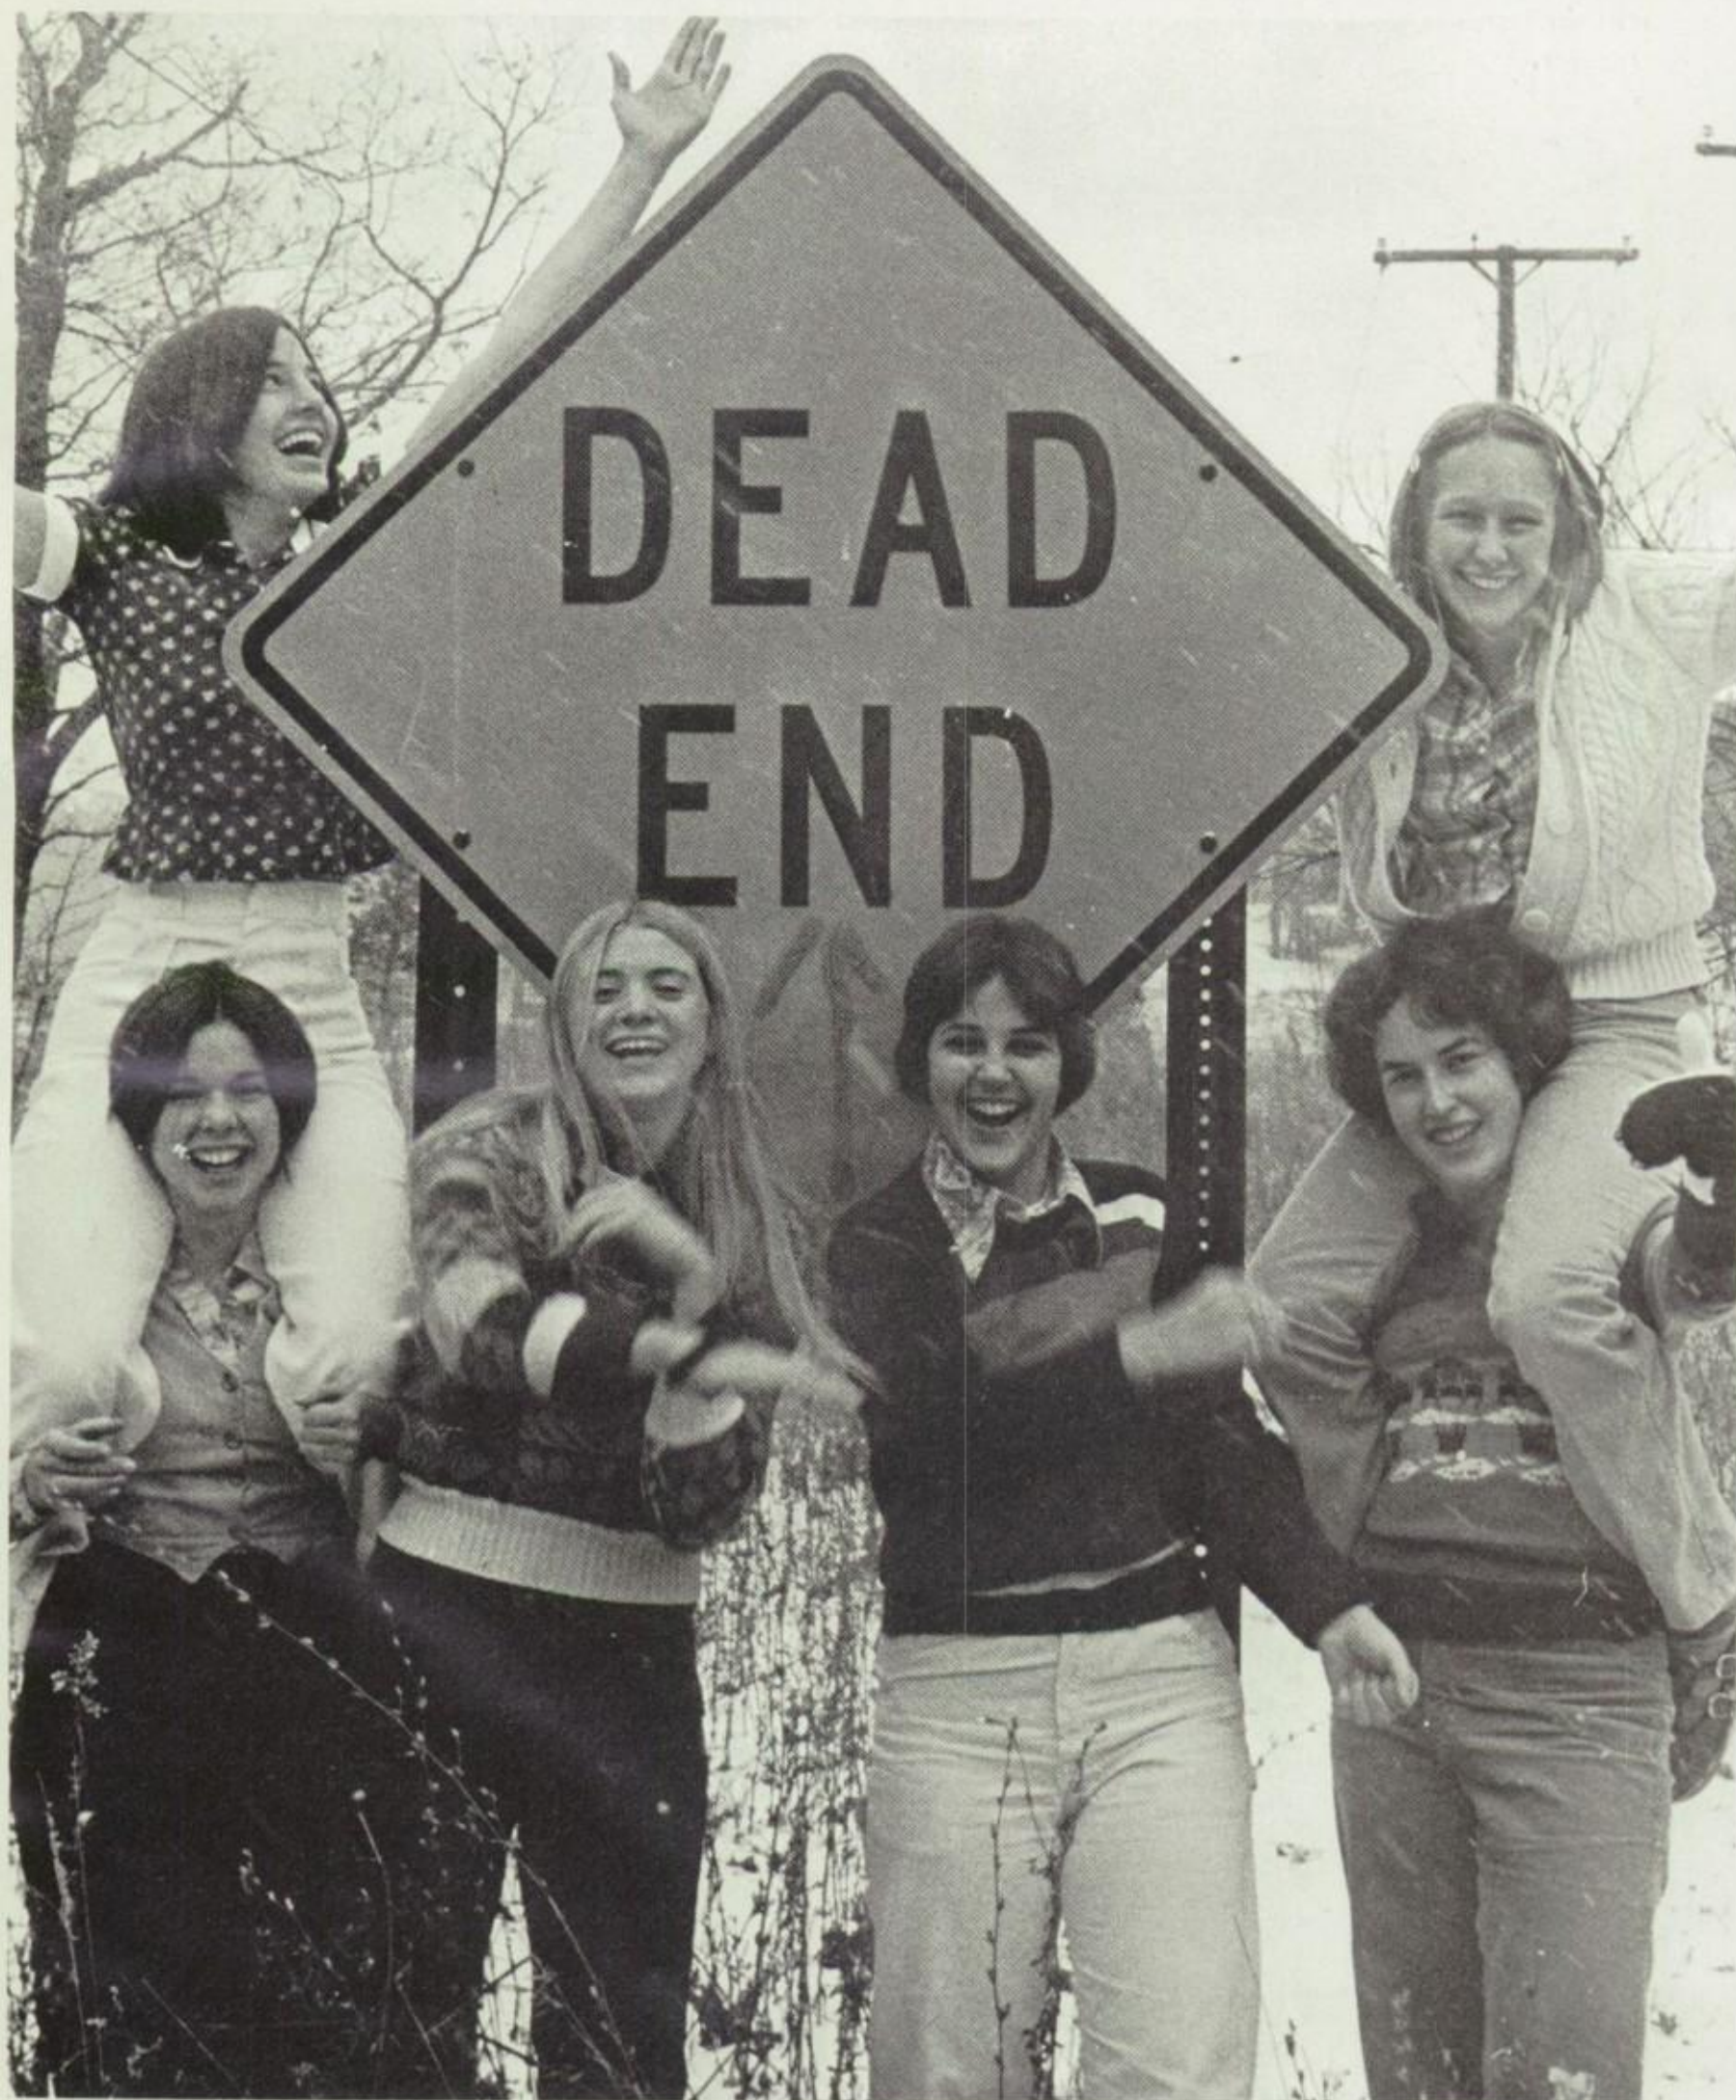

After a lot of Discussion

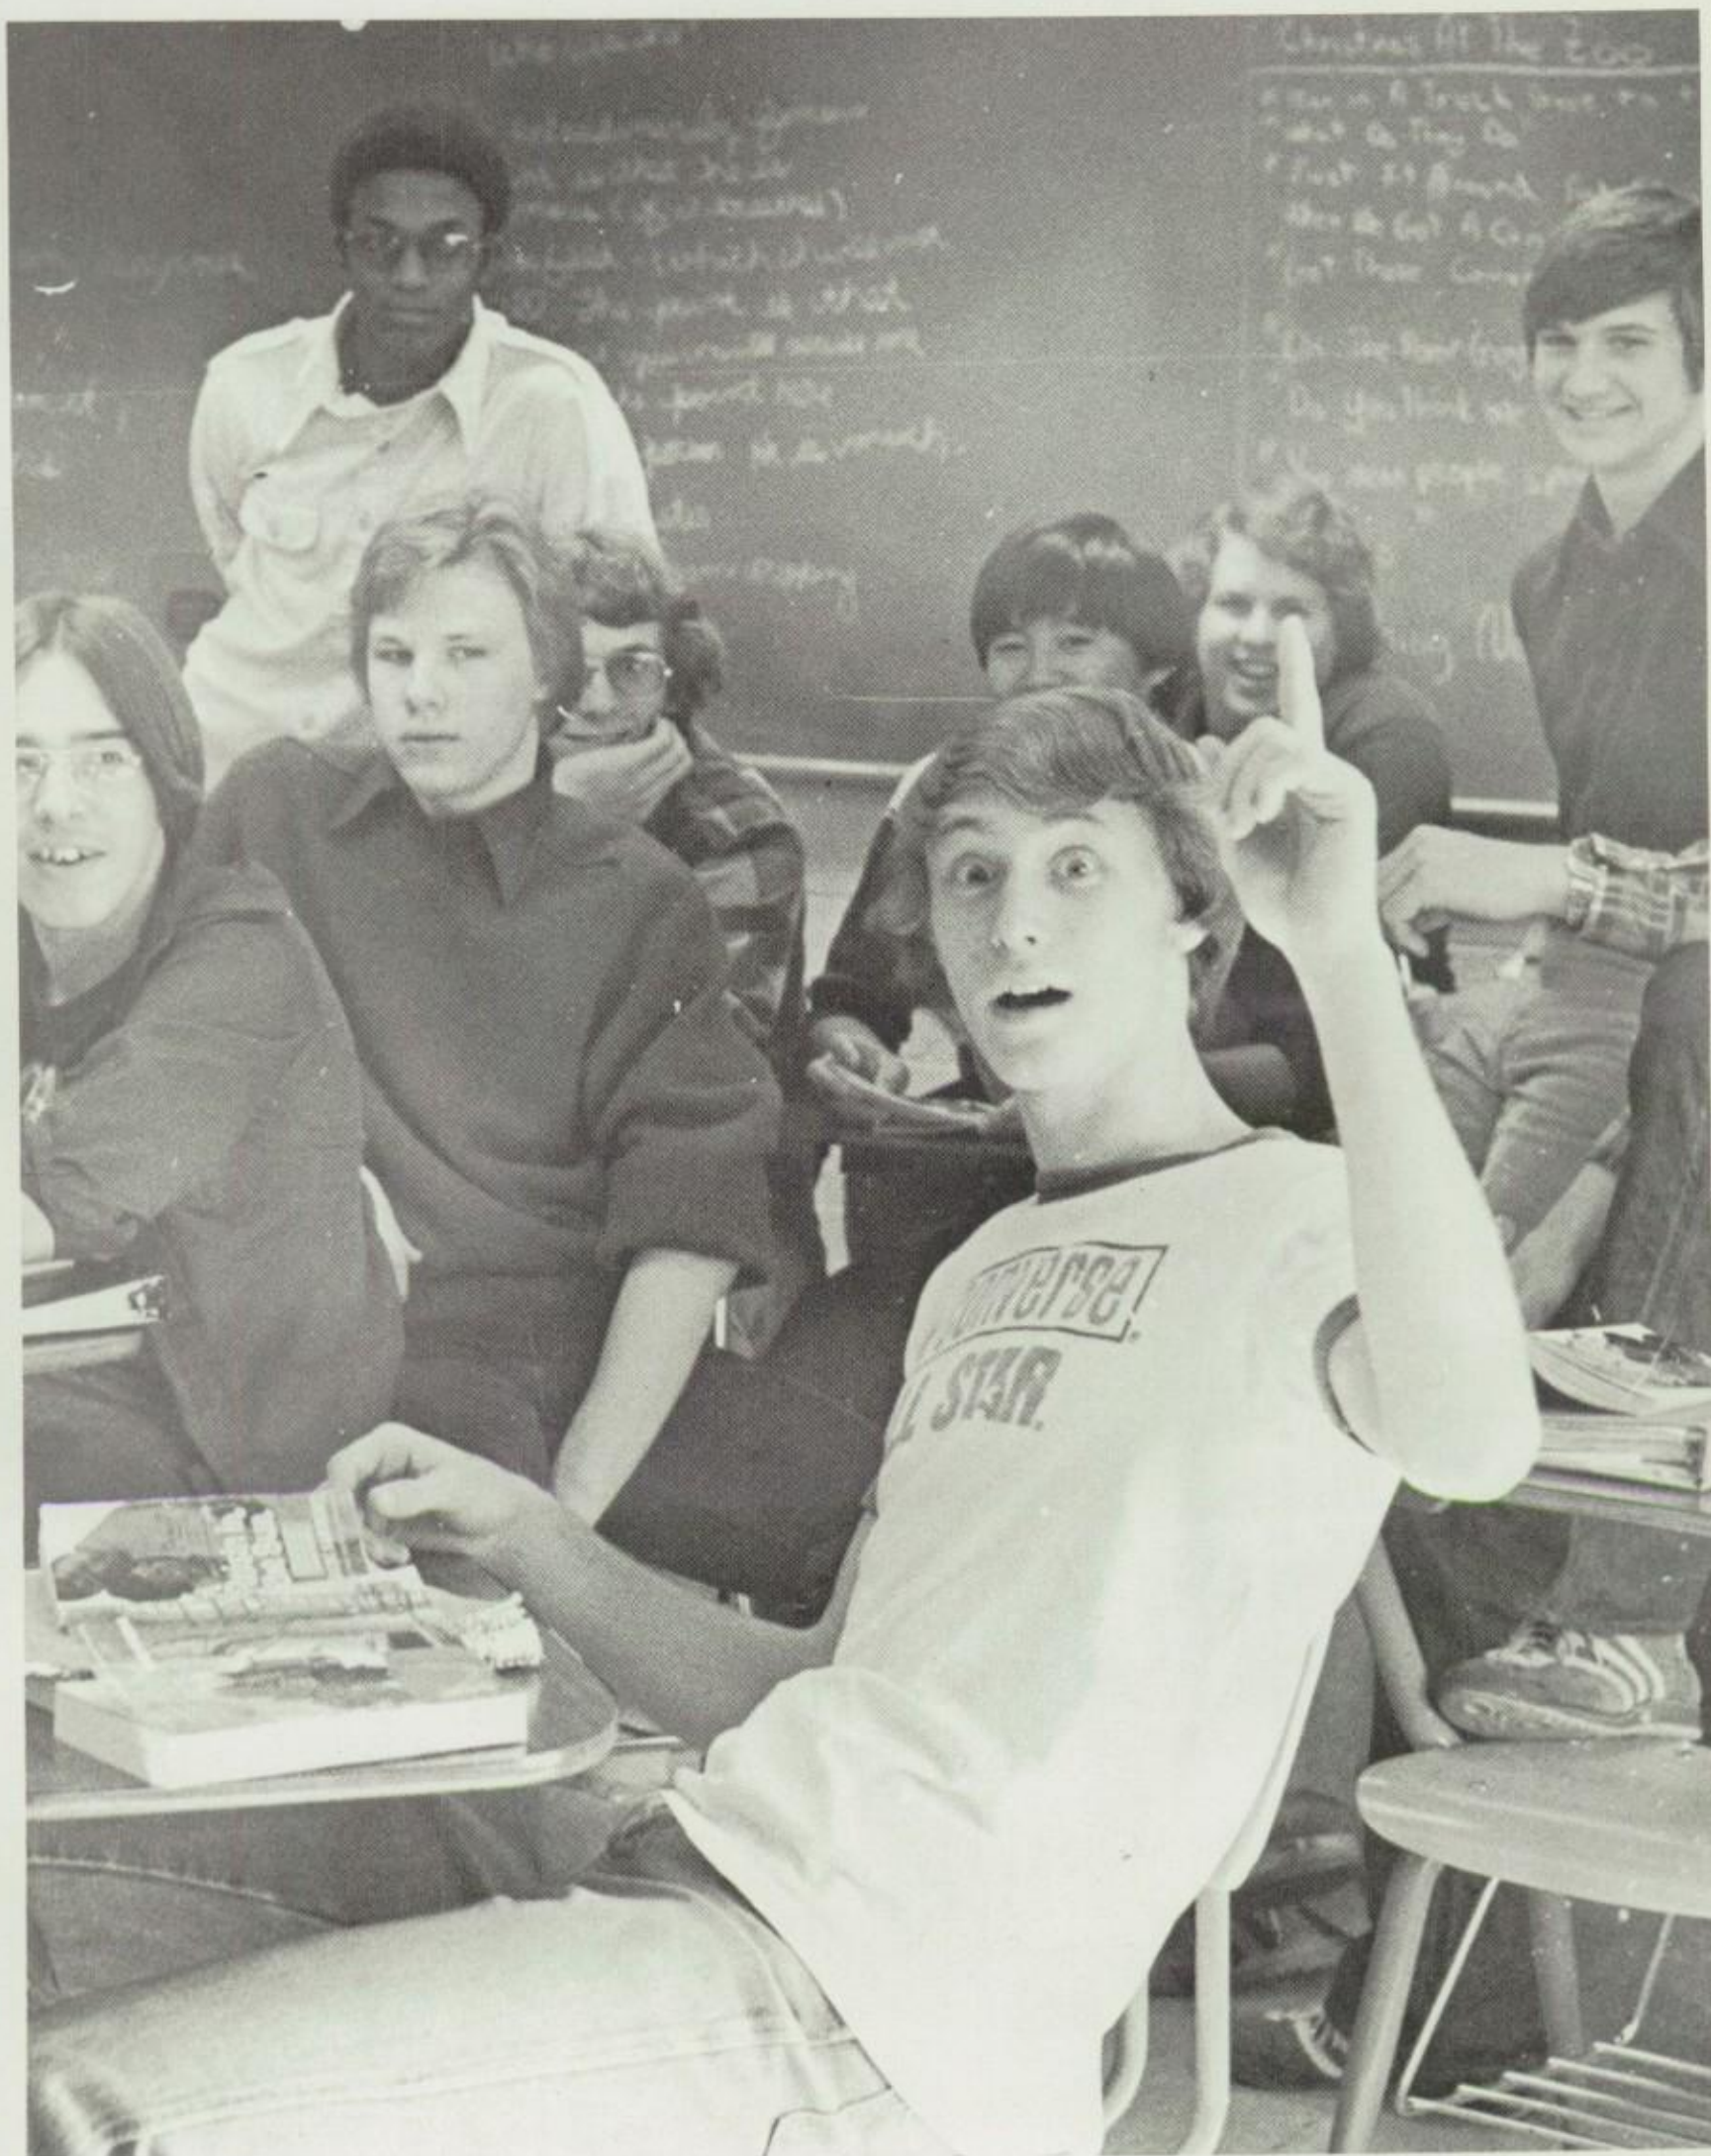

They all concluded

That this book should end

Naturally, of course!

Carla & me -
It was nice
Spending my Swedish
with such sweet people
Good luck

Heath
